Sir,

Agreeably to the Resolution passed by the Council at its meeting held on the 1st ~~ultimo~~ April 1901. in recording G.O. No: 416.M. dated 13th March 1901, reviewing the Budget for 1901 - 1902, I have the honor to request that the Government will be pleased to instruct the Educational Department to make the necessary provision in the Budget for 1902 - 1903 for a Building Grant from Provincial Funds towards the extension of the Municipal High school buildings.

2. The growing strength of the Municipal High school has necessitated the extension of the building by providing additional rooms upstairs, for

for which Rs 7,500 has to be provided in all. The Government are aware that the funds at the disposal of the Council are quite inadequate to bear the entire charge without help from the Government.

The closing balance of the current financial year is estimated at Rs [illegible]220.

3. The provision for additional accommodation has become an urgent necessity and it cannot be postponed as the Director has threatened to withdraw the recognition of the school for want of sufficient accommodation.

4. With a view to complete the extension of the buildings in about 3 years, the Council provided Rs 2,100 in the last year's Budget taking credit for a Provincial Grant of Rs 700 as advised by the Director of Public Instruction. This Grant has not been drawn yet by the Council. Credit was taken for a similar Grant (Rs 700) in the current year's Budget

Budget, but the item was struck out by Government as suggested by the Director. The Government in its order No: 263. Educational dated 21st May 1887 sanctioned, on the strong recommendation of H. B. Grigg Esq, the then Director of Public Instruction, a building grant of Rs 3,715 being one third of the total estimated cost viz Rs 11,144 for the existing building. The Council actually spent on it nearly Rs 2,500 over and above the estimate in the purchase of the site required for the building and in effecting certain desirable additions and improvements. Dr: Duncan Esq. M.A. D.S.C., Director of Public Instruction, who favored the Municipal High School Mayavaram with a visit in September 1892, was highly

pleased

pleased with the new building and said that he would favorably view an application from the Council for an additional grant. A proportional grant was applied for accordingly, but the Director was not able to sanction it for want of funds.

I now respectfully request that the Government will be pleased to pass orders in the Educational Department that provision may be made for allowing a grant of Rs 2,750, from Provincial funds to be payable at least in 2 or 3 instalments on account of the extension of the school-house now in progress.

I have the honor to be,

Sir,

Your most obedient servant
