## Periodical Reports and Returns.

Accepting Mr. Thurston's proposals for the curtailment of the report on the working of the Government Museum.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From EDGAR THURSTON, Esq., Superintendent, Government Museum, to the Secretary to Government, Educational Department, dated Madras, 22nd July 1901, No. 636.

With reference to G.O., No. 355, Educational, dated 26th June 1901, I have the honour to submit herewith a copy of my annual report for the year 1900-1901, and to suggest that, in future, the detailed statistics of visitors to the museum contained in appendix A (pages 11-14) should be omitted and replaced by a brief summary. I would further suggest that the statement of books acquired by purchase contained in appendix D (pages 18-24) should be omitted. The report thus curtailed would run to about 17 instead of 27 pages, and I cannot recommend any reductions in the body of the report.

ORDER—No. 422, Educational, dated 30th July 1901.

Mr. Thurston's proposal to omit appendix A and appendix D will be accepted. There is no necessity for replacing the former by a summary, as such an abstract of the statistics of visitors as that given in the first paragraph of the report is sufficient for all purposes.

(True Extract.)

C. J. WEIR,  
Ag. Secretary to Government.

To the Superintendent, Government Museum.
