| What steps have been taken to secure the services of a permanent candidate?                                                                                              | 5 | In the above we have been made to pursue official candidate but as the appointment is now vacant and there is very little chance of finding one here soon will apply.                                                                                                                                                                                                        |
