GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From A. WILLIAMS, Esq., Deputy Secretary to the Government of India, Home department (Education), to the Secretary to the Government of Madras, Educational department, dated Simla, 24th July 1901, No. 291.

In continuation of the correspondence ending with Home department letter No. 170, dated 9th May 1901, I am directed to forward, for the information of the Governor in Council, a copy of the despatches noted in the margin on the subject of the appointment of a third inspectress of girls' schools in the Madras Presidency to be recruited in England and included in the Indian Educational service.

ENCLOSURES.

DESPATCH from the Government of India, Finance and Commerce department (Salaries, Establishments, &c.—Education), to His Majesty's Secretary of State for India, dated Simla, 25th April 1901, No. 124.

We have the honour to forward a copy of correspondence with the Government of Madras regarding the appointment of a third inspectress of girls' schools in the Madras Presidency.

2. We would explain that the proposal to appoint a third inspectress was originally submitted for our consideration in June 1899, but we decided to defer recommending it to your Lordship pending the receipt of the special report called for in paragraph 4 of our resolution No. 495-506, dated the 28th October 1899, as to the adequacy of the inspecting staff of the Educational departments in Madras and in the other provinces. These reports have since been received by us, and we now submit this proposal for your Lordship's consideration with the following remarks.

3. There are at present two inspectresses of schools in the Madras Presidency on Rs. 500—20—600 and Rs. 450—10—500 a month respectively. These posts are included in the list of appointments recruited in England, and the opinion of the Government of Madras that they should be so included was accepted when the scheme for the reorganization of the Education services in the several provinces was settled in 1896. The Government of Madras now desire to add a third inspectress to the existing staff and the salary proposed is Rs. 400—10—450 a month; this post will also be recruited in England and included in the Indian Educational service.

4. We are of opinion that good and sufficient grounds exist for the appointment of a third inspectress of girls' schools in the Madras Presidency, and we therefore recommend the proposal for your Lordship's sanction.

DESPATCH from the Right Honourable Lord GEORGE HAMILTON, His Majesty's Secretary of State for India, to the Right Honourable the Governor-General of India in Council, dated India Office, London, 21st June 1901, No. 79, Public (Educational).

Having considered in Council the financial letter of your Excellency's Government, No. 124 of the 25th April, I sanction the appointment of a third inspectress of schools in the Madras Presidency, to be recruited in this country and included in the Indian Educational service.

2. I shall no doubt be informed by the Madras Government if they desire me to engage a lady for the post.

ORDER—No. 427, Educational, dated 2nd August 1901.

Communicated to the Director of Public Instruction and the Accountant-General.

2. The Director will submit proposals for redistributing the charges of the inspectresses.
