Division to the Superintending Engineer 2nd
circle dated 7.6.08 No. 2774.

I have the honor to inform you that it is not possible to procure the services of passed men as temporary survey lascars and that, when I appointed a few, they either did not join or resigned within a few days of joining. The work that these lascars have to do is difficult and passed men consider it beneath their dignity to do some of the work as preparing and carrying level pegs &c. I therefore request that you will address the Government a general exemption in favour of men employed as survey lascars.

N^o 1317 dates 17 June 1901-

Forwarded to the Chief Engineer
Public Works Department for favour of sanction
of Government being obtained to the general
exemption of men proposed to be employed
on Survey duties under the circumstances
reported by the Executive Engineer Nellore
Division. the men are really coolies.

NOTE FOR THE ASSISTANT SECRETARY.

General exemptions of the kind ~~now~~ applied for are not now usually granted. A better course may perhaps be for special exemption being obtained in each case.

For orders. Govt. has generally refused to give general exemptions of this kind but in the present case I think it may be done so far as Nellie is concerned.

31.7.01

I think we might exempt them generally

31.7.01

Nellie District is always a difficulty in view of present men, but it is useless making rules and to brush them aside and then applications for general exemption must always be viewed with suspicion.

Better say that Govt. is prepared to consider any individual cases. This helps at least to prevent recklessness.
