FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request the sanction of Government to provide in next year's budget for raising the salaries of the third clerk in the office of the Inspectress of girls' schools, Northern and Central Circles and of the third and fourth clerks in the office of the Inspectress of girls' schools, Southern and Western Circles. The figures given below compare the salaries of these appointments with those of similar appointments in an Inspector's office.

	Inspector's office.	Office of the Inspectress of girls' schools Northern & Central Circles.	Office of the Inspectress of girls' schools, Southern & Western Circles.
	Rs.	Rs.	Rs.
Third clerk	20-25	15-20	15-20
Fourth clerk	15-20	15-20	15

Both the Inspectresses urge that the work in their offices is quite as heavy as, if not heavier than, the work in an Inspector's office and strongly recommend that their clerks be paid on the same scale as those of an Inspector's office.

The recommendation has my support.

I have the honour to be,

Sir,

Your most obedient servant,

H. Stuart

Director of Public Instruction.

Cuo 1068. From the S.P.I. D.O. No. 522293-807

NOTE FOR THE ASSISTANT SECRETARY.

A scale of salary has been fixed for these clerks and no difficulty has apparently been felt in obtaining persons to fill up the appointments. That the inspectors' clerks get higher pay is no reason why the scale should be disturbed. Moreover with a third inspectress work should in future be considerably less.

By 7/8/11 I think Mr Stuart is likely to be right. I doubt the drop in the amount of work; & as to the scale, it is generally sound policy to give the same pay to persons discharging the same sort of duties. 2. In any case, however, this is anticipating events. All that the S.P.I. asks is that Govt. will allow him to "budget" for a charge the propriety of which will have to be considered & made out to the satisfaction of Govt. at the right time. He may be allowed to make the necessary provision as *prima facie* there is a case.

Yes, but the S.P.I. does not say that the work is as heavy as in Inspector's office. We may however approve of him
