GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. T. A. ALAGA PILLAI Avargal, Chairman, Municipal Council, Májavaram, to the Secretary to Government, Local and Municipal department (through the Deputy Collector, Májavaram), dated 15th June 1901, No. 547.

I have the honour to submit,* for the favourable consideration of Government, the following regarding the girls' school in the town that is being maintained by the council. The Government has, in paragraph 3 of its order, No. 201 M., dated

* As per council's resolution No. II, dated 1st April 1901 (copy enclosed).

29th February 1888, reviewing the budget report of this municipality for 1888-89, observed that the responsibility for female education rests with Government, and that a municipal council is not therefore bound to maintain a girls' school against its wish. Again in paragraph 5 of its order, No. 1414 M., dated 2nd September 1891, reviewing the annual report of this municipality for 1890-91, the Government has reiterated the policy that the expenditure of municipal funds on female education is not advisable and said that the school should, as suggested by the Director, be placed under the management of the Educational department. The school is in a good condition, and the council fears that it might come to grief if it should be handed over to private management. In a small town like Májavaram, no efficient private committee can be formed to manage the school, receiving results grants from provincial funds. The council is very strongly impressed with the need of additional facilities for the primary education of the large school-going age population of poor weaver boys of the town, and it cannot find the necessary funds unless it is relieved of the charges in connection with the girls' school.

In these circumstances, the council resolves to respectfully submit to Government the desirability of its taking over the management of the girls' school from the commencement of the next official year, and to request that early orders may be issued to the Educational department for the necessary provision being made in the budget of that department.

ENCLOSURE.

EXTRACT of resolution No. II from the proceedings of the Májavaram Municipal Council at its meeting held on 1st April 1901.

Read G.O., No. 416 M., dated 13th March 1901, reviewing the budget report of this municipality for 1901-1902.

Resolution No. II.—Recorded with the observation that the Chairman be requested to apply early to Government for making provision for a building grant on account of the high school and also for maintaining the girls' school from provincial funds in the next year's budget.
