His recommendation to raise the Head peon's pay does not meet with my approval. The other proposals have my support and I beg to request that permission may be granted to provide for them in next year's budget.

*He must accept this  
of course it may be better  
to provide for them in next  
year's budget. This  
will be easier to do.*

I have the honour to be,

Sir,

Your most obedient servant,

*G. H. Stuart*

Director of Public Instruction.

Very well  
BFB

Lavatory arrangements exist for the European  
Staff but at present there is no toilet to attend  
to the rooms. The College depends apparently on  
the scavengers attached to the general latrines on  
the banks of the canal. All these points may however  
be considered when the application  
for sanction comes in. At present  
no permission is granted to make

provision in the budget.

My  
12/8/11  
I submit, yes. I may  
mention that Mr Hamish  
agreed last year to the  
course of accepting the  
DPS's recommendations if they were  
not plainly objectionable or decided  
questionable. It is in the budget does  
not entail another \$ of paint on to  
\$1000
