Sir,

Transmitted with reference to G.O. No. 304,
Educational, dated 14th May 1901.

2. The Principal, Medical College, to whom the
memorial was referred reports that the memorialist petitioned
the Principal originally for admission as a private student,
but the College Council in consideration of the fact that he
failed badly in five subjects and total marks at the late
Final examination for Hospital Assistants has decided not to
permit him to enter as a private student. Under the circum-
stances I am unable to support the memorialist's prayer.

San Thome,

15th July 1901.

Thro' The Surgeon-General with The Government of Madras.

To

The Right Honble Arthur Oliver Villiers Baron Ampthill
Governor of Madras. G.C.I.F.

The humble Memorial of Pathima Begum,
a Carnatic Stipendiary,

Most respectfully sheweth,

That Your Excellency's humble memorialist most
respectfully begs to submit that on the 24th April last she
submitted a memorial to Your Excellency in which she prayed
Your Lordship either (1) to issue orders for the admission
to the next final examination for Hospital Assistants of her
grandson Muhammad Haidar Husain Haidri, late a Civil Medical
pupil, who has unfortunately failed in his final examination
before the Board or (2) to exempt him from passing the Upper
Secondary Examination under the circumstances detailed there
in- but to her great disappointment she has now received an
endorsement from the Surgeon-General with the Government of
Madras through the Paymaster, Carnatic Stipends, from which
it is understood that the said memorial was transferred to
him (the Surgeon-General) for disposal with reference to
Rule 90 (d) of the Medical College Calendar for 1900-1901,
who has accordingly intimated the memorialist that as the
boy has already had a remand nothing more could be done in
his case.

2. That Your Excellency's poor memorialist most respect-
fully begs to point out that the rule quoted does not appear
to be applicable to the case in question, which more appro-
priately falls under Rule 90(e) of the said Code, which even
permits a pupil, similarly placed, to attend the College as
a paying student provided the College Council be willing to
admit him.

3. That Your Excellency will also see that if the poor
boy after four years continuous study in the Medical College

is cast adrift at this stage his future prospects will be ruined as he will have no other means whereby he may be able to pursue a successful course of life in the world.

4. That under these circumstances Your Excellency's poor memorialist most earnestly prays that Your Lordship will be pleased to issue orders for the admission of the above said Muhammad Haidar Husain Haidri into the College on payment of the prescribed fees which expense the poor memorialist is prepared to undergo in spite of her limited means. This permission while saving on the one hand an expense to the State required for the training of a fresh pupil, will on the other benefit the poor student who has already spent four years of his life in the Medical Department. It will also be observed that the concession prayed for is one falling under Rule 90(e) of the College Calendar and being in itself a very simple one cannot be considered unreasonable ^{also} for the following reasons:-

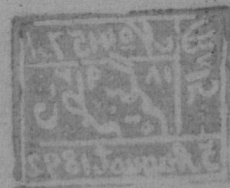

i. That the poor boy belongs to a backward community for whose encouragement in the Public Service the benign Government has been issuing repeated G.Os. and it was on this consideration that Dr. Sibthorpe, the late Surgeon-General with the Government of Madras, was always in favour of rendering all possible facilities to the Muhammadan students.

ii. That the results of the Civil Hospital Assistants' class have been ^{generally} very poor this year, which was quite unexpected and is perhaps unprecedented in the annals of the Medical College.

iii. That he seeks admission into the College this time only as private pupil at his own expense which does not ~~not~~ in any way infringe any bye-law of the College and

iv. That until last year every plucked candidate was allowed to continue his studies at his own expense and appear for the examination as a private pupil.

5. That Your Lordship's memorialist further begs to observe that the pupils in the Hospital Assistants' class alone are so severely dealt with, while the candidates for L.M.S. & M.B. & C.M. examinations enjoy the privilege to appear at their own expense as many times as it may be necessary for them to

secure a pass. In the humble opinion of Your Lordship's poor memorialist, such a concession can equitably be extended to the students of the Hospital Assistants' class as well-whose final examination is as a rule throughout oral and consequently all the candidates cannot possibly be tried on their merits with one set of questions, which now vary in the case of every candidate, whereas the examinations for all other medical subordinates are mostly conducted in writing.

6. That should Your Excellency be not still disposed to direct the admission of the poor boy into the College as a paying student he may at least be allowed to appear for the final examination before the Board to be held in March 1902 on payment of the prescribed fees as he has already completed his full course at the Medical College.

For this act of kindness the poor memorialist shall ever pray.

Seal of Fathima Begum.

To

The Chief Secretary to Government,
Public Department.

Sir,

In continuation of my letter No. T.5/194, dated
the 6th Instant, I have the honor to state that in the
Memorial forwarded therewith, it was prayed for by the
Memorialist that if the privilege of being allowed to join
the Medical College as a private student be not conceded to
him he might at least be permitted to reappear for the
final Examination next year on payment without joining the
College as he has already completed the curriculum. I
have no objection to this part of his prayer being granted
and therefore recommend it for the favorable consideration
of Government. Unless this one more and final chance is
given him his five years study will be completely thrown
away and he can never again expect to practise Medical
profession.

I have the honor to be,

Sir,

Your most obedient servant,

W. C. C. C.
Surgeon-General,

Surgeon-General with the Government of Madras.
