GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers:—

From Diwan Bahadur V. KRISHNAMA CHARIAR, Registrar of Books, to the Director of Public Instruction, Madras, dated 22nd August 1901, No. 239.

I have the honour to submit, for transmission to Government, copies of the printed catalogue of the publications registered during the second quarter of 1901, compiled in accordance with G.O., No. 271 of the 16th May 1901, Educational.

2. The number of publications delivered during the quarter is 311, consisting of 222 "books" and 89 "periodicals".

3. Classified according to languages, English claims 111 works, including diglot editions, Tamil 83, Telugu 59, Malayalam 11, Kanarese 6, Arabic 1 and Sanskrit 40, inclusive of those published in Grandha and Nagari characters. Of these 83, or about 27 per cent., are works designed for educational purposes; and of non-educational works, more than 28 per cent. are religious publications.

4. The number of works copyrighted during the quarter is 79, and the usual extract of entries of copyright registration accompanies the catalogue. It includes seven works appertaining to the previous quarter's collection, but whose copyright has been secured by their proprietors during the second quarter of 1901.

5. I may mention that the proof of the catalogue had to be sent to Mr. Assistant Secretary Pringle for final "revision" before striking off, and hence the delay of a week in the submission of the catalogue.
