G.O., No. 1313 L., 12th August 1901.

AUGUST.

Maintenance of Girls' schools from Local funds.

Stating that the Director's interpretation of paragraph 4 of G.O., No. 1337 L., dated 3rd August 1900, that there should be no extension of the operations of Local Boards in regard to female education and that present arrangements should be continued, is correct, and requesting the Local Boards concerned to retain the girls' schools under their management until Government is able to make arrangements for their transfer.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Local and Municipal Department, dated Madras, 20th July 1901, Ref. on C. No. 4499.

With reference to paragraph 4 of G.O., No. 1337 L., dated 3rd August 1900, I have the honour to state that some of the boards have interpreted the order as meaning that they should at once close all girls' schools under their management, and have accordingly closed them, though this department is not yet prepared to take them over, nor are there any private bodies willing at present to maintain them. I interpret the order of Government as meaning that there should be no extension of the operations of Local Boards in regard to female education and that present arrangements should be continued. I therefore request that the Local Boards be instructed to continue the schools till 1st January 1903, by which time the question of taking them under departmental management will have been settled. Those boards that closed their schools immediately after receipt of the Government Order under reference, did so notwithstanding the recommendations of this department that the schools should be continued till this department could take them over. The number of girls' schools maintained by Local Boards on the 31st March 1900 was 18, of which 12 were upper primary and 6 lower primary.

ORDER—No. 1313 L., dated 12th August 1901.

The Director's interpretation of paragraph 4 of G.O., No. 1337 L., dated 3rd August 1900, is correct. The Local Boards concerned are therefore requested to retain the girls' schools under their management until Government is able to make arrangements for their transfer.

2. If the Director has any intention of taking the eighteen Local fund girls' schools under departmental management in the near future, he should report to Government at an early date what will be the cost of such a measure, so that the necessary provision for the purpose may be asked for in the next provincial contract.
