Educational Department.

I have the honour to submit the enclosed plan with estimates amounting to Rs. 21,670 for the construction of a building for the Sarah Tucker College, Palamcottah, and to recommend that a grant of Rs. 7,123 be sanctioned under rule 112 of the Grant-in-Aid Code.

2. This College, which is the only College for Girls in the southern districts of the Presidency, was in urgent need of additional accommodation and the Manager proposed to construct a separate building for the College and Upper Secondary departments, and submitted an application for a building grant. Permission was applied for to commence the work in anticipation of sanction as the need for additional accommodation was most pressing.

3. The Superintending Engineer reports that the building has now been completed according to the approved plan and estimates, and that there was a saving of Rs. 300 under supervision. The total cost of the building is therefore Rs. 21,670-300 or Rs. 21,370, and a third grant on this sum, viz Rs. 7,123 is recommended.

4. The grant, if sanctioned, will be paid in three or four instalments as funds become available.

5. Out of the allotment of ₦ 45,000 provided for building grants in the current years' Budget Estimate, payment of ₦ 39,168 has ^b been authorized up to date. I have the honour to be,
