To

The Secretary to Government,

Revenue Department.

Sir,

I have the honour to request the sanction of Government for the exemption of one V. Ramiah, a lascar under the Minor Irrigation Overseer, Nellore Taluk, from passing the Primary examination prescribed for inferior service.

2. In the new scale of Minor Irrigation establishment sanctioned in G.O No: 743-Rev., dated 5th December 1898, a lascar is provided for the Minor Irrigation Overseer and each of the Sub-overseers. The services of a passed man were first secured for the place, but as the duties involved, in addition to constant travelling throughout the District, the carrying of measuring instruments &c., the man resigned his office. As no passed man was available, thereafter V. Ramiah, an unpassed man, was appointed on 1st December 1899, and its Proceedings No: 2003-Routine dated 28th August 1900, the Board exempted him from the examination -- rules. The period of sanction expired on 30th November 1900.

The Head Quarter Deputy Collector states that he has made every endeavour to secure the services of a passed man, but, being unable to do so, he has now recommended the further exemption of

the man for another year. The duties involved seem to be more

arduous than those of a Taluk peon and require the services of a strong man, while the pay is the same as that paid to a Taluk peon of the lowest grade, viz, Rs 6. Passed men therefore prefer the Taluk appointments.

The individual in question has been working for over 18 months and the Minor Irrigation Overseer recommends his confirmation, exempting him from the Examination Rules.

I have the honour to be,

Sir,

Your most obedient servant,

R.R.

Collector.
