To

The Secretary to Government,

Educational Department.

Fort Saint George.

Sir,

The Registrars of the four northern districts (forming the Circars) have frequently brought to my notice the great difficulty they experience in securing the services of candidates who have passed at least the Matriculation examination for the posts of registration clerks on Rs.15 and upwards. During the past two years, notices have been published in the local and in the Fort Saint George Gazettes, and several letters have been addressed to the heads of all the educational institutions in the districts, but the result has not been satisfactory. The difficulty has been greatest in Godavari and Kistna. The Registrar of the former district now reports that there are ten posts vacant in the clerical grade, including eight on a pay of Rs.15, for which he is unable to secure men qualified by examination rules, and accordingly recommends that the eight men shown in the enclosed list who have passed only the Middle School Examination in the first class or the General Test Examination, and who have been serving in the department for some years as clerks on Rs.14 may be exempted from the operation of the examination rules with a view to their promotion to posts carrying Rs.15. I enclose a copy of his letter and request that Government may be pleased to sanction the exemption proposed.

3. The exemption might be restricted for the present to posts of Rs.15 in the department.

4. A similar proposal from Kistna has been returned for revision.

I have the honour to be,
Sir,
Your most obedient servant,

Myrao
Insp. Genl. of Reg.

I have the honour to state, once again, that there are now in all 10 permanent vacancies in this district in the --- clerk's¹ posts, 8 in Rs.15 grade, 1 in Rs.14 grade, and 1 apprentice clerk's post on Rs.10 as shown below:-

- All these ten posts have been vacant for want of duly qualified ~~persons~~ men. None of the clerks on Rs.14 are eligible under the examination rules to be promoted to Rs.15. As directed in Proceedings G.No.369 dated 17th January 1899, clerks on Rs.14 were deputed to posts on Rs.15 and paid only Rs.14 ; and the men appointed in the place of the former were treated as section-writers and are paid only Rs.12. I have already repeatedly reported from time to time that it is next to impossible to secure qualified matriculates for filling the Rs.15 posts, (vide this office letters Nos.489,890,1044,857 and 2680 dated 9th June 1896,26th October 1896,26th December 1896,13th November 1897 and 1st August 1898, respectively and some other letters). As instructed in Proceedings G.No.7906 dated 22nd August 1900,I again caused notices to be published in the Fort Saint George Gazette and in the District Gazettes of Ganjam,Vizagapatam,Godavari,Kistna and Nellore inviting qualified matriculates for the vacant appointments. But not a single application from a duly qualified man has been received. I also applied to the Principals of Colleges at Rajah
