FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that Government may be moved to sanction a house rent allowance of Rs.80 per mensem to Mr.R.S.Thorne,Vice-Principal,College of Agriculture, Saidapet,with effect from the 26th July 1901. The permanent Principal having returned from furlough,Mr.Thorne has vacated the Principal's quarters which he occupied during the period he acted as Principal. Though his agreement with the Secretary of State contains no stipulation either for the provision of free quarters or for payment of house rent,his position is identical with that of the Vice-Principal,Teachers' College,who was allowed house rent and I therefore recommend that he may be granted a similar allowance until he can be provided with quarters on the premises. Plans and estimates for providing accommodation for the Vice-Principal have been prepared by the Consulting Architect.

2. If the recommendation is approved,the charge during the current year can be met from the allotment for house rent allowance for the Principal of the Teachers' College. The necessary provision will be entered in next year's budget.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. S. Thorne
Director of Public Instruction.

Cur:No. 1146, from the Dir: of Pub: Instrn., R.C.No. 5780, d/ 21-8-01.

For Orders.

As to whether the house rent allowance of Rs. 80 recommended by the Director may be granted. As Mr. Thorne's agreement does not provide for the payment to him of the allowance, its grant would seem to require the sanction of the Secretary of State; but on this ^{point} the Accountant-General may be consulted if the Director's recommendation is accepted. The case does not fall under article 87 of the Civil Service Regulations as house rent allowances are specially excluded from the operation of that article. When the question of providing quarters for the Vice-Principal came up last year the Hon'ble Mr. Arundel said "as to what rent the Vice-Principal should pay for the quarters, must be settled hereafter. Free quarters would be equivalent to an increase of pay above his agreement" vide notes at Flag B.

The Vice-Principal of the Teachers' college gets house rent or free quarters under his agreement.

The proposal is to give the Vice Principal more than the Rs.80 he agreed to receive for, & do not think the Director has justified his proposal.
