Educational Department.

I have the honour to request the permission of Government to provide in the budget for 1902-1903 for an additional mistress on Rs.40-2-50 per mensem for the Government Hobart Training school for Mistresses, Madras, to teach drawing and English.

2. The First Assistant Mistress, who at present teaches drawing, cannot devote sufficient attention to the subject without prejudice to her other duties, and if the subject is to be taught efficiently the services of a separate qualified drawing mistress are necessary. It is further proposed to introduce English in the school and to entrust the teaching of this subject also to the drawing mistress. I understand that there is a real demand for English in the school and that with its introduction the attendance of the children of the better class of Muhammadans, which at present is insignificant, is likely to improve.

I have the honour to be,

Sir,

Your most obedient servant,

J R Snow

for Director of Public Instruction.
