For the use

The case of this juvenile offender will be found in the pages flagged Y. Y. $\frac{1}{2}$ $\frac{1}{2}$ in fo. no 1567. Judt. dated 30th September 1896. The Govt. in paragraph 7 of this order, directed that his case should be specially reported ^{for its order} ~~to the Government~~ when he was 18 years of age. From the notes and orders in the ~~fo. no~~ it would appear that it was the intention of Government to set him at liberty after he had been for some time in the Reformatory School. The remarks of the S.G. of Prisons in the last half-yearly return of Political Detenus and State Prisoners show that the boy is well-behaved and has improved considerably during his stay in the Reformatory. Submitted that his discharge from the Reformatory School can now be sanctioned in view to his enlistment in the 25th M.I. It seems, however, that, as the ^{boy} ~~prisoner~~ is detained in the Reformatory, not as any other youthful offender, but as a State Prisoner under a warrant issued under Regulation II of 1879, his release should be sanctioned in judicial and the warrant issued for his detention cancelled. It will ~~be~~ also be necessary to Communicate the order sanctioning the release of the State Prisoner to the S.G. of Prisons and to the D. Magistrate of Malabar, as well as
