The Secretary to Government,

Educational Department.

Sir,

X With reference to G.O.R.No 414, Educational, dated 5th July last, I have the honour to enclose a statement showing the amount of results stipends drawn by each Headmaster and each assistant of the Muhammadan salary-results schools, Madras. It will be seen from this statement that, including results stipends the average pay of an assistant of a first grade school and the teacher of a third grade school during the last three years has been Rs.6-5-9, while the Headmaster and the assistant of a second grade school drew on an average Rs.10-12-1 and 4-9-6 respectively. The inspecting officers report that in the board salary results schools in the mofussil, the salaries of headmasters range from Rs.7 to Rs.12 while those of assistants are fixed at not less than Rs.6 results stipends being also paid in addition. Considering that living in Madras is expensive and that the pay now offered is not sufficient to attract and retain the services of qualified men, I beg strongly to recommend that the increased salaries proposed may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

J.R.Scott

For Director of Public Instruction.

Statement shewing the amount of Results stipends drawn by Headmasters and Assistant Masters of the Government Santhiabadan Salary Result Schools, Madras for the last five years.
