Sir,

I have the honor to forward herewith an application from G. Sivabharanam, clerk Ist Class 1st grade, (pay Rs 15-10), now employed in the Government Workshops, Dowlaiswaram of the Godavari Eastern Division, praying for exemption from the Examination Rules in view of his being promoted to a clerk's post Ist Class, 3rd grade, when a vacancy occurs.

The History of his Service is as follows:

G. Sivabharanam was first

3
No. 21466³ Superintending Engineer
Office, 1st Circle, Dowlaiswaram
Dated 21st August 1901
From

Encl¹ C. J. Vessher Esq.
Superintending Engineer,
1st Circle
The Chief Engineer
P.W. Department

entertained in the Upper Godavari
 P.W. Department in January 1865,
 as a permanent clerk on Rs 10/- per
 mensem, when Dinnagudem ancient
 works were in progress under General
 H. F. Haig R.E., and continued as
 such till 15th June of that year,
 when he was thrown out of his
 appointment owing to reduction of
 establishment. From 16th June 1865 to 1872,
 he served on the Upper Godavari
 works in different temporary capacities
 such as timekeeper, Superintendent
 of Canal works, Storekeeper, etc, on a
 salary varying from Rs 15 to 20 per
 mensem, but in the latter year
 (1872) the Upper Godavari works
 having been abandoned, his services
 were dispensed with. He was then
 introduced by General Haig R.E.,
 to Colonel (now General) J. F. Fisher R.E.,
 the then Superintending Engineer,
 (vide, at Dowlaishwaram and was
 employed in different capacities
 on

on temporary establishment, till
 13th April 1887 when he was appointed
 a permanent clerk IInd Class 1st grade,
 in Dowlaishwaram work shops, in which
 he remains till now, without any
 promotion, on his account of his
 being an unpassed candidate.

3. From the several testimo-
 nials he has now in his possession,
 I find that he worked in the
 Department satisfactorily and gained
 the good opinion of the officers under
 whom he had served.

4. The case of the applicant
 is exactly similar to that of S. Ananda
 V. Row, and I should not have ventured
 to bring his case forward again,
 vide Govt. ^{1766 W of 1-8-70} had not Government in their order
 No. 1869 W. of 12-7-94, exempted the
 latter from the operation of the Rani-
 nation Rules, so that he might be
 promoted to the next higher grade
 of a clerk IInd Class, 2nd grade.

5. I, therefore, beg to request

that you will be so good as to
more Government to extend the
same concession to the applicant.

I have the honor to be
Sir,
your most obedt servant,

L. J. Luther
Superintending Engineer,
1st Circle

W.D.

To,

The Superintending Engineer,
First Circle,
The Sub-D. Officer of Workshops &
Executive Engineer Eastern Dist.
Godavari.

Most Honored Sir,

I most respectfully beg to
represent the following lines with the full
hope that your honor will bring my unfortun-
-ate case into your honor's benign consi-
-deration and do me justice and favor.

1. I was entertained in January
1865 as permanent Clerk on Rs. 10 in the
late Upper Godavari P.W. & served as
Clerk on different salaries viz Rs. 15, 20, & 25
even at the cost of my health and of my
family members -

In 1870, I was appointed in the 2nd
Barrier Dist. as a Storekeeper on Rs. 30 sanc-
-tioned by the Central Provinces Govern-
-ment and deposited a security of Rs. 200 -
I held much responsible duties of having
Tools and Plant, Floating Plant, Mill
Plant, together with a great number of
Goth Dice, Salt Vess bags in my charge
and keeping accounts thereof -

2. Owing to abolition of the late Upper
Godavari Works, my services as Storekeeper
were dispensed with and my security re-
-funded to me in August 1872 -

General

General F. J. Haig R.E. the founder of Upper Godavari Works was then pleased to recommend me to General J. F. Fischer R.E. the then Superintending Engineer of Lower Godavari for providing me with an employment - The latter Officer was accordingly pleased to appoint me as a Clerk in his Office.

3. As for the other retained Clerks in the abolition of the P.W. D. and of the Revenue Department after the amalgamation into Lower Godavari, they were all transferred to the Eastern Dⁿ Godavari and exempted in one lot from passing Examination rules by which they had fair chances of promotion - But to my misfortune, my name was not included in the list and I am therefore left at a stand still and deprived of my hopes of ~~my~~ promotion.

4. Since my transfer to Lower Godavari I have been employed in this District for some time under Mr. Asst. Engineer Ellis, and Captain A. F. Dorward R.E. in connection with the Central Delta, and Anomollanka Project Works, and subsequently under several Officers and gave them entire satisfaction - I was also in the Sup^r. Engrs. Office for about 15 years as a Clerk, and also as Press Office Superintendent and on the abolition of the Clerkship in that Office I was posted to Workshop Office as a permanent Clerk on Rs. 20 and act as such till now.

5. I have given above in brief the history of my faithful service rendered in your honor's Department and beg leave to state that my unfortunate condition with a long standing spotless service of several years with no encouragement is very pitiable the only fault of mine being that I have not passed any

any examination and which none can expect me to pass at this stage of my life -

6. In April 1895 I submitted a petition to Government through proper channel when Mr. Garrett was the Sup^r. Engineer of the Circle in which I expressed my grievances and prayed for exemption, but to my misfortune the Government in its order No. 615^{ad} of 26th July 1895 remarked as follows.

"Government sees no reason to grant the petitioner's request"

I therefore humbly beg to state that I cannot assign any other reason for my being exempted from examination rules than the mere kind consideration of my long satisfactory service in the department on a low fixed pay Rs. 20 with no encouragement and of the two precedents one in the case of M. V. Raghavulu Clerk in the Godavari Eastern Dⁿ and the other in the case of D. Anandarow Clerk in the Godavari Western Dⁿ who were Clerks on ^{also} Rs. 20 being unpassed men like myself.

7. In conclusion I most earnestly beg your gracious honor to take pity on me and recommend me to Government for my exemption from examination rules so that I may be able to have a chance of promotion to next higher grade at least when vacancy occurs (Rs. 20 to 30) and thus relieve me from my vexation and poverty and distressed condition of my family as I have lost hitherto my promotion post of Rs. 20 to 30 that was reserved for me by the late Engr. Genl. C. Mitford Smith Esq^r of Eastern Dⁿ for want of such exempt order as suggested by the Examiner of P.W. Accounts and I am still put to same objections for promotions. For which act of mercy and fairness I shall as in duty bound ever pray for your honor's health, wealth and prosperity, and keep this act of mercy by all
