To

The Secretary to Government,

Educational Department.

Sir,

With reference to G.O.No 411, Educational, dated 21st June 1893, communicating the sanction of the Government of India to Mr.W.H.Goddard holding the two appointments of Instructor in Surveying and Drawing and Superintendent of Military students in the College of Engineering, Madras, I have the honour to state that Mr.Goddard has been granted furlough in G.O.No 452, Educational, dated 23rd July last and has availed himself of it from the 7th instant. I have recommended Mr.Littlewood, Assistant Instructor, in the College of Engineering for the post of Instructor in Surveying and Drawing vacated by Mr.Goddard and have submitted a minute of appointment with G.O.No 26 dated 23rd August to the address of the Private Secretary to His Excellency the Governor. Mr.Reynolds having been appointed to act for Mr.Goddard as Superintendent of Military students in the College, I have the honour to request sanction for his drawing the pay of the appointment (Rs.20-40) in addition to his pay (Rs.350) as Instructor in Engineering.

I have the honour to be,

Sir,

Your most obedient servant,

J.R. Scott

For Director of Public Instruction.

Educational Department.

Cur No. 1184, from the Dir: of Pub: Instrn., R.C.No. 6697, d/ 27-8-1901.

For Orders.

As Mr. Reynolds is only to act as Superintendent of military students while holding his own post of Instructor in Engineering, the application falls under article 184 of the Civil Service Regulations. Under clause (iii) of that article, however, Mr. Reynolds cannot draw anything more than his present pay of Rs. 350 but under note (i) the Government may declare that this is not enough in which case an extra allowance not exceeding Rs. 10 may be given under note (ii). To avoid any possible objection from the Accountant-General, he may before orders are issued be perhaps asked u.o. to state whether this view is correct.

Art 184 cannot be applied to this case which should be dealt with under the provisions of Art 186 of the Civil Service Regulations. Under

19/9/11 I doubt if the A. S. is right.  
The appointment of Supt. of Military  
Students has apparently never been  
held by any one whose whole time has  
been given to the duties. Is this so?

The duties are apparently looked on  
to some officers in the College, in  
addition to his own, & this permanently.  
Art 182 does not seem to refer to such  
cases.

20.9.07

The answer to the Secretary's query at A is in the  
affirmative. The duties have been always transferred  
to one of the instructors in the College as a permanent  
arrangement. Under article 182 of the C.S. the  
instructor in question can't in this case draw the  
additional pay with the sanction of the Govt. or of the  
Govt. of India. If Mr. Littlewood was put in to act  
as superintendent of Military Students also  
the latter part of article 182 would have applied  
but he acts only as instructor in Surveying & Drawing.  
Mr. Reynolds is permanent instructor in Engineering  
on Rs 350.

H. M.

The Director presumably had his reasons  
for appointing Mr. Reynolds to act as  
Supt. of Military Students in preference to  
Mr. Littlewood.

We may now ask the sanction of Govt.  
of India under art 182 to Mr.  
Reynolds drawing the pay of the  
2 appointments.

This was done in similar cases before  
vide Reg. N.

Sir,

In Mr. Melitus' letter No. 157 (Education), dated the 2nd June 1893, Mr. W.H.Goddard was permitted to hold the two appointments of Instructor in surveying and drawing and superintendent of military students in the Madras College of Engineering. He has been granted privilege leave for three months and furlough for nine months with effect from the 7th August 1901 and a junior member of the staff of the college has been appointed to act for him as Instructor in surveying and drawing.
