FURTHER PAPERS.

To

The Secretary to Government,
Educational Department.

Sir,

To

His Excellency The Right Honourable Arthur
Oliver Vithers Baron Ampthill G. C. J. K.
Governor of Madras, Stone house hill, Cotacand

The humble memorial of Quader-
un-nisa Begum Sahiba.

Most respectfully Sheweth

1. That the memorialist is Grand-daughter
of Nulsoom Begum Sahiba a daughter of His late Highness
Ajmerud-dowlah Bhadur Sardar British Nizam of Carnatic

2. That since the demise of her mother Nizam
un-nisa Begum Sahiba, who was enjoying a Carnatic stipend
of Rs 49 per annum exclusive of house-rent, the circumstances
of the memorialist has become highly distressed specially in these
very hard days of scarcity and starvation.

3. That despite her straitened circumstances the
memorialist rendered the necessary help to her son Luthfur-
Rahman Sahib to enable him to prosecute his studies up
to the Matriculation standard in recognised institutional
But when the advanced nature of his studies had required
further and more extensive

of circumstances beyond her control, the memorialist was compelled to cease affording help to her son to the entire prejudice of her Son's advanced study.

4. That as Major R. F. R. Formby has already once expressed his opinion in connection with Luthfur Rahman in his Correspondence No. - of 1899 addressed to Government of Madras that the memorialist's son have acquired a fair knowledge of English, reading and writing to qualify him for public service

5. That in pursuance of his direct attempt and as a consequence of the valuable endorsement on his application by Major R. F. R. Formby the then Paymaster of Carnatic Shipends, the memorialist's son had favourable orders passed on his application and was exempted from the operation of the examination rules with the restriction that he shall be eligible for service in the salt and alkali department (vide G.O. No. 803 dated 2nd December 1899).

6. That when Luthfur Rahman Sahib Son of the memorialist enquired from the Secretary to the Commissioner of Government examinations, as to his eligibility for candidature to any of the special lists examination he was informed in reply that his application will be received only in case he holds a general examination from the requisition of passing the

Upper secondary examination.

7. That your humble memorialist considerably regrets that, being thus precluded from the possibility of appearing to the special list examinations towards paving his way for higher promotions, her son is destined to enjoy only a very restricted sphere of service and promotion.

8. That even persons who have very little connection with the Carnatic family have been favoured with general exemptions, appointments and promotions your Lordship's memorialist humbly begs to submit that it will be a sin against equity should his claims be not considered with the same compassion and should a similar privilege be not granted to the more deserving and qualified member of the Carnatic blood.

9. That the care of maintenance and protection of your humble memorialist depends on the fortune and well-being of her son on whose behalf this memorial for favourable orders of the Government has been presented and a neglect of whose claims will certainly sink the memorialist into the deep slough of ruin and make her a sure prey to poverty and misery.

That therefore the memorialist most respectfully
entrusts herself to your Excellency's merciful care and protection
and humbly prays that your Excellency may be graciously
pleased to accord a timely consideration to the subject-
matter of this memorial and rule that the memorialist's
son also can be held entitled to a sharing of this privilege
which the Government of India in its natural liberality
has set apart as a birth-right for the exclusive benefit
of the member of a family of such illustrious fame
For which act of kindness and justice
the humble memorialist will ever pray that the Success
of Excellencies ever increasing Prosperity may shine
brighter and brighter for ever.
