N. Ref. on Cuo. 6679/01 dated 14th September 1901

Submitted to Government
J. R. Scott
For Director of Public Instruction.

The budget estimate of the Government of Madras for 1901-02 was submitted to the Committee of the Legislative Council on 14th September 1901. The Committee of the Council considered the budget and recommended that it should be referred to the Committee of the Council for consideration in connection with the budget for 1902-03. On 15th March 1902 the Committee of the Council reported to the Government that they had considered the budget and recommended that it should be referred to the Committee of the Council for consideration in connection with the budget for 1902-03. The Committee of the Council also recommended that the Government should be asked to submit a report on the progress of the work of the Committee of the Council during the year 1901-02.

Aug 12 79.

NOTE FOR THE ASSISTANT SECRETARY.

In paragraph 18 of the Director's letter forwarding the budget estimate of the Lawrence Asylum at Ootacamund for 1901-1902 he said with reference to a proposal of the Committee of the Asylum to send a girl from the Female branch for training with a scholarship of Rs 20 per mensem that Miss Carr was in favour of two girls being allowed to study for the matriculation examination with the boys in the male branch. He thought however that the provision already made by the Committee might be retained and that Miss Carr's suggestion might meanwhile be referred to the Committee for consideration in connection with the budget for 1902-1903. In paragraph 2 of G.O. no 158 Col d 19th March 1901 the suggestion was accordingly referred to the Committee for consideration and report. The Committee simply accorded the G.O. on the Principal informing them that there was no matriculation class in the Boys School and copy of the proceedings is now submitted for information.

2. It is a fact that there is no matriculation class in the Boys' School but under the scheme sanctioned in G.O. no 2 Col d 2nd January 1899 the male branch is preparing boys for the upper secondary examination. Miss Carr therefore probably meant this examination when she was speaking of the matriculation.

3. Should this be pointed out to the Committee and they be asked to consider whether two of the girls may be allowed
