To

The Secretary to Government,

Sir,

To

His Excellency the Governor in Council,
Fort St. George.

Through

The Sanitary Commissioner for
Madras.

The humble petition of Mir Khurban Hussain,
late Plague Inspector, Sardar Jang's Garden
1st Street, Royapettah.

Most humbly sheweth,

That Your Excellency's most humble
petitioner, on receipt of the Order of Government,
No. 536, Educational, dated 26th October 1900, exempting him from the
operation of Examination Rules so far as the Salt, Abkari and
Customs Department is concerned, has put in his application for

1. Asstt. Secy. to Board of Rev. Separate Rev. 2-4. Dy. Comrs. of Salt, Abkari and Customs, Rev., Northern, Central and Southern Divisions.	an appointment to the marginally noted officers who were pleased to send for him and take his measurement. After this examination the petitioner regrets to state that all his applications with one exception were returned with the remark
--	---

that he is below the standard height and therefore ineligible for
employment in the said Department. Copies of the replies are
herein enclosed for your Excellency's kind perusal.

2. That your petitioner feels therefore
certain that his chances of seeking an appointment in that depart-
ment are almost nil and he ventures therefore to request Your
Excellency may be pleased to grant him, either a general exemption
so that he may be entertained in any other department, or, if this be
not feasible, permission at least to seek employment in the Forest
Department as prayed for in his original application dated 20th

September

forwarded
September 1900 with the Sanitary Commissioner's endorsement No. 1523/S
dated 1st October 1900, as the petitioner bears that this restriction
as to height is not considered an indispensable qualification for
that (Forest) department.

For which act of kindness the petitioner shall ever pray.

EDUCATIONAL DEPARTMENT

C. No. 103.

SUBJECT.

Exemption from the examination rules.

FOR ORDERS

V

In G.O. no. 536 dt. 26th Oct. 1900 the applicant, Mr. Qurban Husain was exempted from the upper secondary examination to enable him to apply for employment in the salt, akhari and Customs department. He now says that he submitted application to that departt, but was told that he was below the standard height and thus ineligible for employment. He therefore requests that he may be granted either a general exemption so that he may apply to any other departt. or at least permission to seek for employment in the forest departt.

2. Orders are requested. It may perhaps be better in these cases say that the question of exemption

31/1/1

1/1 The petitioner may be simply told that Govt. declines to interfere is not prepared to grant the exemption sought for.

2. It pains was stretched in regard to ^{some of} these Mussulmans as Mr. Meniman told us he was anxious to get some more of them into the dept. But it is not an argument for excusing a Mussulman examinations ^{in respect to all depts.} that the heads of the one dept. in which the night have been excused find him too feeble in body to discharge any duties. The order placed below may be issued.
