To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to apply under Article 1225 of the Civil Service Regulations for permission to remain at Cochin for a period beyond the ten days ordinarily allowed. In addition to the inspection of Educational institutions on the hills I have occasion to consult with Government on various educational questions that have arisen during my absence at the recent conference at Simla. I arrived at Cochin on the afternoon of the 2nd October and intend, if possible, to leave on Wednesday the 16th.

2. I request also similar permission for my stay at Cochin from the afternoon of 3rd August to the morning of August 24th when I left for Simla. My stay was prolonged beyond the limit of ten days as under the orders of Government I had to attend at a Council meeting and ascertain the wishes of Government with regard to the Educational Conference.

I

I have the honour to be,
Sir,

Your most obedient Servant,

G. A. Stuart
Director of Public Instruction.

Office of the Director of Public Instruction,
Madras, 11. Oct. 1901.

My dear Weis,

I am sending
you a letter asking for
permission to stay a
few days beyond the
10 days ordinarily allowed
on the hills. Otherwise
I shall have to go down
on Sunday & I do
not wish to do so
as I want to visit
some more schools &
to see Thomson about
country Educ. matters.
I have also asked

for similar permission
as regard my previous
stay here. I am in-
formed that for the
Simla Conference I can
only draw travelling allow-
ance from headquarters
i.e. from Madras to
Simla, and as I had
to go from Ooty I want
t. a. therefrom. I shall
in any case lose by
the whole business.

Can you send me
a d.o. to let me know
whether my two requests

will be granted so that
I can arrange to stay
over Sunday? I saw
Thomson yesterday &
he appears to be willing
but wished me to
write in about it.

Yours sincerely

G. H. Stuart

NOTE FOR THE Secretary.

There are two points for decision in this reference from the Hon'ble Mr. Stuart. Under Article 1225 of the A.G. will not pass any allowance to Mr. Stuart unless Govt. intimates to him that Mr. Stuart's presence at Ootacamund both in August last and this month was required "on duty". This intimation has apparently to be given by the department of Govt. of which the Director is a subordinate but in a case decided in 1899 it was given in Financial though the officer was subordinate to Judicial. The Govt. in question will be traced presently, but meanwhile Finl. may be asked whether the order in the present case should issue in Educational or in Finl. Mr. Stuart's presence at Ootacamund was it is submitted required "on duty".

The next point is that with an intimation as just suggested the A.G. will pass only travelling allowance to and fro and 10 days halting allowance unless Govt. further exempted Mr. Stuart from the operation of article 1157 of the C.B.R. This exemption has to be granted in Finl. Govt. has already decided that when the 10 days limit is only slightly exceeded the exemption should not be granted, but the excess in August in Mr. Stuart's case was 12 days and this month it will be 5 days this month.

For Mr. Stuart's presence in August
11/10/11
was certainly required on duty

be had to prepare urgently notes for
Board of Govt. & attend Council

when stay this month the orders of
the in charge of Education will
probably have to be taken. There are
of course many educational matters
of importance how under consideration.

The intimation required under
article 1225 of the C.S.R. should, it is
submitted, be properly made in the
(Educational) dept. But as in the case
disposed of in L.O. No. 859 dated 29.7.09
there appears to be no objection to the order
issuing in the Financial dept.

2. As regards the exemption from
the operation of article 1159 of the C.S.R.,
the excess over the ten days limit is in
one case (anecd.) 12 days and in the
other 5 days. There appears to be no
objection to admit the 1st claim. As
regards the 2nd, please see L.O. No. 712 dated
24.8.01 where a half of 13 days (excess
of 3 days over the prescribed limit) was
admitted on the ground that hill
expenses are specially heavy. ~~But in the~~
~~rule regarding short leave are restricted~~
~~generally to half of 1, 2 and 3 days~~
~~(vide note in L.O. 103 dated 26.1.08)~~

No objection to admit
both claims
