To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request the permission of Government to provide in the budget estimates for 1902-03 for a librarian on Rs 15 for the Rajahmundry Training College. The necessity for the appointment is explained in the accompanying extract from the Principal's letter on the subject.

"I have the honour to bring to your notice the great inconvenience experienced here from the library being in charge of the clerk. In the first place this necessitates the library and office being in the same room, an inconvenient arrangement which also wastes space. The clerk has also quite as much office work as he can do satisfactorily without spending time in issuing and receiving books. In support of this I may remind you that the Practising School numbers 559 and the Training College 62 so that the keeping of Fee and Attendance registers alone involves a good deal of work. The amount of correspondence is also much larger than in the Arts College. In fact the reasons for providing the Arts Section

with

with a librarian are equally strong in the case of the Training Section. I have tried to relieve the clerk somewhat by making the Normal students assist him for an hour a day in rotation, but he says they require so much direct aid and supervision that they are more trouble than use to him and I can quite believe this is the case."

2. The proposal of the Principal has my support.

I have the honour to be,

Sir,

Your most obedient Servant,

G. H. Stuart

Director of Public Instruction.
