Clause (13) of article 4 of the Public service notification deals with the qualifications of type-writing clerks. With reference to the ~~decision~~ decision of Government to reserve only one appointment in the Nilgiri Collector's office, the word "two" before "appointments" in the note attached to this clause may perhaps be omitted.

2. In this connection attention is invited to the fact that the changes in clause (13) of article 4 sanctioned in G.O. No. 432 Edl., dated 7th September 1900 have not been carried out in the public service notification revised up to 31st March last by the Commissioner and published in the gazette of April last. The omission appears to be due to the non-communication of a copy of the order separately to the Commissioner. The order may now be communicated to the Commissioner but it was sent to the Director and his office should have shown it to the Commissioner's office.

I think we are a trifle more to blame than the D.P.O. & his office!

[The D.P.O. did not want orders to be separately communicated to the C.P.O.]
