Sir,

B. With reference to paragraph 3 of G.O.No 576,Edul.,
^{November 1900,} dated 12th ~~ultimo~~, I have the honour to submit a draft
notification containing the changes to be made in the
Government Technical Examination and Public Service Notifications.
A draft of the alterations necessary in the Engineering College
rules will be submitted separately.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Public Instruction.

Notification.
~~~~~

His Excellency the Governor in Council approves of the following  
additions made in the Public Service and Government Technical  
Examination Notifications.

Public Service Notification.

In article 4-(3) after the words "College of Engineering, Madras"  
insert "or the group certificate in mechanical drawing (special  
for draftsmen) awarded under the notification regulating the  
Government Technical examinations."

In article 4-(4) after the word "Madras" insert "or the group  
certificate in mechanical drawing (special for draftsmen)  
awarded under the notification regulating the Government  
Technical examinations."

In Schedule B against Draftsmen add the following in Column 2:-  
"or the special examination prescribed for draftsmen for a  
group certificate in Mechanical drawing under the notification  
regulating the Government Technical examinations"

Government Technical Examination Notification.

Under article 15, between "Group certificates in Mechanical  
Drawing" and "Group certificate in Surveying" insert the  
following:-

Group Certificate in Mechanical Drawing (special  
for draftsmen)

Geometrical Drawing .....Intermediate grade  
Freehand outline drawing .....Elementary grade  
Building materials and Construction ..Intermediate grade  
Building drawing and estimating .....Advanced grade  
Machine drawing .....Intermediate grade.

In their order no. 576 Edl. dated 12<sup>th</sup> November 1900, the Govt. approved the discontinuance of the practice of allowing private candidates to appear for the draftsman's test of the College of Engineering and the proposal of the D.P.S. to institute a test under the technical examination scheme to serve as an alternative qualification for draftmen and asked the Director to submit in draft the necessary alterations in the Engineering College rules and in the public service and technical examination notifications.

2. The Director accordingly now submits a draft of the changes in the public service and technical examination notifications and states that a draft of the changes in the Engineering College rules will be submitted later on.

3. In the public service notification the Director

*Ans 45*

Director proposes three alterations. The first is that in clause (3) of article 4 after the words "College of Engineering, Madras" the words "or the group certificate in Mechanical Drawing (Special for draftsmen) awarded under the notification regulating the Govt. technical examinations" may be inserted. Clause (3) of article 4 relates to a concession granted to draftsmen and Surveyors in the P. W. dept. who possess certificates of the College of Engineering viz that they are eligible for <sup>employment</sup> ~~payment~~ in the conservancy establishment. In G.O. no 1576 Edl. dt 12 November 1900 it is not stated that this concession should be extended to those who pass the alternative test for draftsmen under the technical examination scheme. Orders are therefore solicited as to whether the alteration proposed by the Director may be approved. It is submitted that it may be.

4. The second alteration in the public Service Notification is that in article 4 (4) after the <sup>name</sup> ~~word~~ "Madras" the words "or the group certificate in Mechanical Drawing (Special for draftsmen) awarded under the notification regulating the Govt. technical examinations" may be inserted. Under this alteration however a candidate who possesses a group certificate in Mechanical Drawing (Special for

for draftsmen) will become eligible for a Surveyors post but this was not intended. It is therefore for consideration whether instead of the alteration proposed by the Director a new clause may not be inserted as follows:-

(15) candidates possessing the <sup>draftsman</sup> group certificate in Mechanical Drawing ~~awarded under the notification regulating the Govt. technical examinations~~ ~~awarded under the notification regulating the Govt. technical examinations~~ will be eligible for appointment as drafts-  
men in <sup>any</sup> ~~all~~ department ~~though not qualified~~ <sup>whether they have</sup> under article 2 or not.

5. The third alteration is as follows:-  
In schedule B against Draftsmen add the following in col. 2:- "or the Special examination [prescribed for draftsmen] for a group certificate in Mechanical Drawing which has been prescribed for draftsmen in [under] the notification regulating the Govt. technical examinations". The wording of this addition does not seem to read well; instead of it the following may perhaps be approved:-

"Or the examinations prescribed for a group certificate in Mechanical Drawing (Special for draftsmen) under the notification regulating the Govt. technical examinations."

6. In the technical examination notification the Director proposes the insertion of the following

Geometrical drawing. Intermediate grade.  
Free hand and line drawing. Elementary grade.  
Building materials & construction, Intermediate grade.  
Building drawing and estimating. Advanced grade.  
Machine drawing. Intermediate grade."

Here the question for consideration is whether the subjects for the existing group certificate in mechanical drawing may not be altered so as to suit draftsmen candidates. There appears to be no necessity whatever for two group certificates in the same subjects and it is submitted that the group certificate now proposed by the Director may be substituted for the existing certificate under mechanical drawing. There is only a slight difference in the subjects prescribed.

He may ask the Director to consider the points raised at a. p. v. in this note.

As to the wording of the alteration in schedule B the Director's draft is, I think, clearer & better, but I have
