To

The Secretary to Government,
Educational Department.

Sir,

I have the honour to request that Government will be pleased to obtain the sanction of the Government of India for extending the joining time of J.R. Sargunar, Pottery Assistant of the School of Arts to 32 days under the following circumstances.

2. A Sivasankara Mudali, the permanent pottery assistant being unable to furnish the security of Rs. 250 required for the appointment it was necessary to transfer him and J.R. Sargunar B.A., acting Head Clerk of the office of the Inspector of schools, Central Circle, was appointed in his stead. Sargunar was relieved on the afternoon of the 28th June last and reported himself at the School of Arts the same day, but the taking over charge of the various stores was completed ^{only} on the afternoon of the 30th July. The assumption of charge thus occupied 32 days and the necessity for this long period is explained as follows by the Superintendent of the school.

"The transfer of charge involved the enumeration weighing &c of stores amounting in value to about Rs. 80,000, consisting of aluminium in sheets, circles &c of a variety of sizes and gauges, of manufactured articles in aluminium of various descriptions, of raw materials and finished articles in the wood-carving, weaving, pottery, silver and gold smith and metal working departments of the School of Arts. As the ordinary work of the institution had to be carried on at the same time, the slow progress of the handing over of charge was unavoidable."

3. As the Accountant-General has objected to the pay of

Sargunar being drawn for the 32 days in question in anticipation of the necessary sanction, I request the favour of very early orders on this communication.

I have the honour to be,

Sir,

Your most obedient servant,

J. R. Sargunar

NOTE FOR THE ASSISTANT SECRETARY.

The Director requests that the sanction of the Govt. of I. may be obtained for extending the joining time of J.R. Sargunam Pottery Assistant of the school of Arts to 32 days.

2. On a previous occasion when one Gopala Aiyar who was appointed Pottery asstt. took 32 days for taking store & the Govt. extended his joining time to 30 days and granted him leave without allowances for the remaining two days. vide G.O. no 224 Bdt dated 21st April 1897.

3. But the next incumbent of the post Sivasankara Mudali did not find it necessary to get his joining time extended even for a single day. Perhaps this was in consequence of the order of 1897.

4. But this time Sargunam who relieves Sivasankara Mudali finds 32 days necessary for taking over charge. The store which Sivasankara Mudali was in charge of, and which Sargunam at present is apparently in charge of, are it is said worth Rs 80,000 and consist of aluminium in sheets & circles and aluminium wares &c

The Director requests that the sanction of the Govt. of I. may be obtained for extending the joining time of J.R. Sargunam Pottery Assistant of the school of Arts to 32 days. On a previous occasion when one Gopala Aiyar who was appointed Pottery asstt. took 32 days for taking store & the Govt. extended his joining time to 30 days and granted him leave without allowances for the remaining two days. vide G.O. no 224 Bdt dated 21st April 1897.

4. But this time Sargunam who relieves Sivasankara Mudali finds 32 days necessary for taking over charge. The store which Sivasankara Mudali was in charge of, and which Sargunam at present is apparently in charge of, are it is said worth Rs 80,000 and consist of aluminium in sheets & circles and aluminium wares &c

~~It is therefore apparent that this extension of joining time has been rendered necessary by requiring the Pottory Asst. to do work which is not properly his. In G.O. no 11 Edt. D. 15th January 1900. a store keeper on Rs 35 is sanctioned for the Aluminium dept. ^{If it therefore not clear} and all Aluminium stores should ~~apparently be in his charge. Perhaps Mr. Chatterton may be asked to explain why the Pottory Asst. was put in charge of the Aluminium stores. ~~When there was a separate store keeper for the Aluminium dept. but in form.~~ Chatterton to utilize the services of his subordinates in the best way he can.~~~~

5. As regards the extension of joining time orders are solicited as to whether the course taken in 1897 may be adopted and extension to 30 days and leave without allowances for the remaining two days may be sanctioned. The A.G. says that for extension beyond 30 days the sanction of the Govt of India is necessary under Article 148 of the C.S.R.

P.H.
29/10/01
The course adopted in 1897 may again be followed; it would be hopeless ^{try &} to persuade the Govt of India that 32 days should be allowed; ^{such a time} they would not have been necessary with proper arrangements.
