His Excellency the Governor

The Inspector General of

The humble memorial of Mr. Thomas
William Wright, Sub Registrar of assu-
-rances. Lakshmi Narayana Samuel
Kavur. Coimbatore D.

Most respectfully sheweth:-

That the memorialist is one of those poor
public servants, who with the inherent and
natural appetite towards improvement, again
and again, are prompted to throw themselves on
the parental sympathy of their official superiors,
and often, if not, at all events, find themselves
blessed as far as they deserve, though of course
not without suitable opportunity and the good
will of those under whom they serve.

2. It is under such a run of personal
circumstances, and with the fond hope that
his case may likewise be given a charitable

that the humble memorialist has taken up the occasion of invoking the known justice of his Excellency in the disposal of facts which are as follow.

3. His Excellency's memorialist is a Sub-Registrar of assurances of near 14 years' service and has awaited his time & turn of prospects only to find that they are as far from him as ever and that all his hopes are numbered, because on the one hand the gradual and slow nature of promotions in consequence of the limited number of grades of appointment, which is otherwise the case in any other department, has convinced him, that he can not look to an early improvement in his own department and because on the other hand, there is the painful consideration, that the hopes he had in the Registration Department, during the earlier period of his service were over-rated and that there is left no scope for him now to have his services transferred to any other department, because of the barriers laid down — to wit — "the Special Tests."

4 In this connection, the humble memorialist begs to represent to his Excellency how he had unavoidably to let go a suitable opportunity of securing the post of an Inspector in the Police, recently,

35.
Simply, because he had Criminal Lower Test. (12 dated 17th May 01, of the of Police). Near a dozen years he joined the Registration & though of course, Matriculated to go up for Criminal Lower Test lost the chance of having Test already, because he was of the circumstance that the Test is a necessary qualification for the Police department and by the consequence that the fact that in some cases, Sub-registrars were invested with Magisterial powers and discharged the duties of special Magistrates, had bespoken an acquaintance with, and proficiency in, the Rules and Regulations directing & controlling Police or Magisterial authority, and that therefore, should occasion arise which should necessitate their qualifying themselves in the Test, permission to go up for the Examination, if not exemption from passing it could be conveniently procured for these officers. While of the executive branch actually, a

iminal Lower, is the
ation in Arts, is an exception
does not act upon them
reason that they have a
experience in the Arts and
edure, it is the humble assurance
memorialist that officers of other
ents also, provided they are men
description cited above, may
ly be at least permitted to go up
the examination.

5. And further, the Memorialist humbly
s to submit that he is a young man
of only 33 years of age, a matriculate of
the Madras University, is a thorough
Tamil student as Tamil is his second
language, has qualified himself in the
Tamil Translation Test and has trained
himself up as a Corporal in the Rifle
Volunteers drill and as a Sub-Registrar
is thoroughly conversant with the language
& manners of the Common public - a
qualification of the utmost importance
pector of Police, more or less
officer and that he is
by the Criminal

6. From the foregoing and
Considerations and in part
as a European, which it is
that with his present pay he
would be manifestly pit
way, His gracious Excellency
generously pleased to sympathize
case of the Memorialist at least
exceptional one and grant him
-mission to go up for the Test.

For which act of mercy and

His Excellency's Memorialist,
respectfully begs to remain

His Lordship's most obedient
and humble servant,

(1) Testimonial from Mr. C.C. Tanagan

I have known Mr. Thos. Longat for years. He was at one time a student of the Combarator College of which I was the head, & so came much under my observation. And since then I have met him on one or two occasions.

Mr. Wright is possessed of fair natural abilities is a good Tamil Scholar & certainly full of energy & desire to do good work wherever he may be employed. I think he would make a good Salt Officer & trust that this testimonial from one who knows him may aid him in securing a better post than that he now holds.

(2) Testimonial from the Rev. Dr. Durham.

230 December 1896

My Dear Fowler.

The bearer is Mr Wright Sub-Registrar who has requested me to write to you on his behalf hoping that you will be able to provide him with an appointment as an assistant Inspector in the Galt. I shall feel much obliged to you if you can. He is a well educated respectable young man and his wife a very superior young woman, has acted as a governess in a young lady's

-2.
boarding school for a number of years.

He does not see much chance of promotion in his present department where he has been for some ten years. His pay is only about Rs Eighty per mensem.

Mr. Wright has passed the Matriculation Standard and in Tamil as well. He is a young man of about 29, strong and active. I should believe from what I know of him and his surroundings that he would give you satisfaction. I believe he would be most painstaking and industrious & trustworthy. If you could manage to give him a start on a small increase to his present pay & hold out any reasonable hope that should he acquit himself to your satisfaction you would keep him under your favorable notice I believe he would do credit to your choice & to your department. I am much mistaken if he is not possessed of more than the average ability.

Both himself and his wife are pukka Europeans & I very much regret to see the latter in such straitened circumstances & without much hope of improvement. I trust you will forgive me for bringing Mr. Wright before you as a candidate for your favorable notice. My only excuse is that I am much interested in him and his family.

Wishing you & yours all Xmas joys & happiness

Yours very sincerely
Sgt. R. H. Durham
