Sir,

9.10.01

His Excellency The Governor in Council
Fort Saint George

Through The Inspector General of
Registration
Madras
& Through The Registrar of
Mellore

The memorial of Mahammad
Abdulla Motinuddin Sahib ag 6th clerk Regis-
trars Office Mellore most respectfully sheweth
That:-

The memorialist is the permanent
7th clerk and at present ag 6th clerk in the
District Registrar's Office Mellore.

He was first entertained in the
department as an apprentice clerk on
Rs 10 in the year 1897. Subsequently he
was posted to several places in the
District as ag clerk where he endeavoured
his utmost to gain the good will of his
superior officers and at last he was
taken up to the Registrar's Office itself
where he had better opportunities to please
his superior under whom he happened

and through workman and the memorial was therefore fortunate enough in getting himself confirmed as the 7th clerk on Rs 14. apart from the consideration that he is a Mahamadani.

The memorialist further begs to submit that the enclosed copies of testimonials will bear out the facts above represented.

The memorialist belongs to a noble family his father being a well renowned native doctor and died while he was in his teens, leaving him (memorialist) in a most deplorable and wretched condition, as a consequence of which he was compelled to discontinue his studies in the matriculation class in which he was then studying.

The memorialist was sufficiently well educated in his mother tongue (Hindustani) and Telugu as well, the former of which now serves the purpose of reading and writing Hindustani documents presented for registration in the District Registrar's Office.

The memorialist has put in a
Service

...of nearly ...
entertained in 1897, during which
he worked to the full satisfaction of
his superiors.

In these circumstances the memo-
rialist most humbly and respectfully
prays that the memorialist's service
in the department, his capabilities as an
intelligent clerk backed up by the District
Officer as well as by the several sub Registrars,
his noble birth, his poverty-stricken con-
dition to which he was reduced having
been bereft of his father in the prime
of his life, his being such a helpless
male invalid, may all be taken into
your Excellency's generous and kind con-
sideration and the memorialist be exempted
from the operation of examination rules to
qualify himself for further promotion
and thus better his condition in life.

For which act of kindness the
memorialist as in duty bound ever prays and
begs to remain

Your Excellency's most obedient and
humble servant.
