To

The Secretary to Government,

Revenue Department.

Sir,

I have the honour to submit the following case for the favourable consideration of Government.

2. S. Johnson, son of a former Municipal Inspector, Mellore and Local Fund Sub Divisional officer, Ongole, has passed the Lower Secondary Examination and is now employed on the Madras Railway on a salary of Rs 20. His certificates show that he possesses a good character and that his work in the service of the Railway company has been good. He is willing to accept a post carrying only Rs 15 to start with and, as Eurasians can rarely be procured for low-paid clerical appointments, I should be glad to take him into my office if Government will exempt him from the Upper Secondary Examination so as to admit of his being entertained in Government service.

I have the honour to be,

Sir,

Your most obedient servant,

W. Sutherland.

Collector.

Exemption from the examination rules.

FOR ORDERS

As to whether the exemption applied for may be granted. There appears to be no special ground for it.

The difficulty will arise when another East Indian is willing to take up a fifteen rupee post & is recommended for exemption. Where is the line to be drawn? Are all East Indians in such circumstances to be exempted?
