Sir,

CURRENT No.

Proceedings of the Board of Revenue,
Revenue Settlement, Land Records and Agriculture,

Dated 15th December 1900.

No. 6633 Misc.

Readendorsement from J. P. Bedford Esqr. Ag. Collector
of Tinnevely, D. Dis. No. 2053/ver of 1900, dated 5th Decem-
ber 1900.

Resolution.

Submitted to Government with reference to G.O.

C Misc. No. 1243 Rev. dated 8th May 1900.

2. With his endorsement read above, the Collector of Tinne-
velly submits a petition from Abdul Nabi Sahib, late Minor
Irrigation Overseer, Srivaikuntam taluk, praying that he may
be exempted from examination rules. In its Proceedings No.

508 dated 5th February 1900, the Board applied for this exemp-

tion on behalf of the petitioner in view to his being ap-
pointed as a Minor Irrigation sub-overseer on Rs 30 in the new scheme

Govt. in Sanctioning the exemption (G.O. No. 563 Rev. dated 23rd February 1900)

B stated that it presumed that the Collector had attempted to
obtain a qualified candidate for the post but without suc-
cess. On a further report received from the Collector with
reference to the G.O. quoted above and submitted to it,
Government withdrew the exemption granted because it appeared
that no attempt had been made by the Collector to obtain a
candidate qualified under the rules and that Abdul Nabi Sahib
was appointed in consideration of his past services and his
respectable position. Government remarked also that it was
not satisfied from the papers that the man, though unpassed,
had thoroughly learnt how to prepare the earth work estimates
in the manner prescribed in B. P. No. 232 dated 11th July
1894.

3. In his present petition, the petitioner states that he
has put in a continued service of 19 years in the Revenue

Department, that the claims of Subbaramier, who has put in only a service of four years and who was exempted from examination rules- Vide G.O. No. 451 dated 11th September 1900, Educational- are not superior to his, that 24 years ago when he was first entertained in the Public Works Department, no educational qualifications were required, that he has ^{been} preparing estimates according to the recent instructions, that his competency has been acknowledged by several Tahsildars, that Government when it passed the order in his case had not a full knowledge of his whole case, that Government has granted special exemptions to Mohomedans in respect of several appointments in various branches of the service and that it is hard that Government should have with drawn the exemption once granted in his case. The Collector in submitting the petition testifies to the good and diligent work of the petitioner and states that Government in exempting Subbaramier accepted the principle that exemption is the just reward of long and meritorious service and if this principle is applicable to Subbaramier, a Brahmin, it is certainly applicable to the present petitioner, a Mahomedan. He states further that qualified Mohomedans are certainly more difficult to find than qualified Brahmins and that the petitioner is the only Mahomedan in the Minor Irrigation Branch of the Revenue Department.

4. In these circumstances, the Board supports the Collector's recommendation that the applicant may be exempted from the examination rules.

C As the Collector now certifies to the practical competency of Abdul Nabi Sahib, G. O. No. 1243 Revenue, dated 8th May 1900 is cancelled and orders will issue in the Educational Department regarding the exemption sought from the examination rules.

2. With reference to the remarks of the Collector quoted by the Board, it is observed that the Government has laid down no such principle as he assumes. Where in a few exceptional cases exemptions have been allowed they have been conceded on the sole ground of practical competency.
