 The Secretary to the
 Govt. of Madras.

Sir,

In a communication made to H. E.
 the Chief Secy on the 28th of August last - we
 suggested that the vernacular schools of
 the various provinces might with advantage
 be employed to give fuller effect - to his idea
 of providing the masses of the Indian people
 with an opportunity of acquainting themselves
 with the lineaments of Their King - Emperor.
 We offered to produce an exercise
 book on the cover of which a faithful
 tricolor photograph of His Majesty would
 appear, which we would arrange to
 retail at one anna a copy, if the Govt.
 of India could see its way to make a
 grant of say Rs 10/- per thousand copies
 ordered.

We have been informed in
 reply that the matter was one that should
 be considered of by each Local Govt.

Yours
 (initials)

Cuo 1475.

NOTE FOR THE A.S.

It does not appear that the payment of the grant specified is called for.

I believe that the Public Dept. has been dealing with the question of making natives of India familiar with the lineaments of their King-Emperor. Perhaps Mr. Under Secretary Knapp might like to consider the point now raised. We may consult Public Dept. as off.

All that this Dept has done is to make enquires, under the orders of the Govt of India, as to the number of public officers of various kinds to which should be presented portraits of His Majesty such India wishes to distribute. Public can form no opinion as to the educational value of the suggested portraits, to be used on

with respect to the territory admini-
trated by it. According to his Excellency's
suggestion we have the honor of submitting
our proposal by and by. I am, Sir,
Yours obediently
