The Secretary to Government,  
Educational Department.

Sir,

With reference to G. O. No. 26, Educational, dated 17th January 1901, I have the honour to request that, for the reasons given in the subjoined extract from the letter of the acting Inspectress of Girls' Schools, Western Circle, No. 5998, dated 29th October 1901, Government will be pleased to accord sanction to the continuance of the Government Girls' School, Salem, for one year more, that is, until the 31st December 1902.

"I have the honour to recommend that sanction for another year's trial may be obtained for the Government Girls' School, Salem. Miss Carr is also of opinion that it should be given another year's trial, especially as she will have the chance of inspecting the school early next year, when the district will be added to the Central Circle. I may also mention that the school showed much improvement at my last inspection of it in the month of July!"

I have the honour to be,

Sir,

Your most obedient servant,

THS trial
