Letter from Mr. S. Bhaskara aiyer a
Sa BE, Assistant Engineer on Special
duty Tanjore to the Superintending Engineer
I circle No 390 dated 1 September 1901.

I have the honour to write your attention
to G.O. No. 2150 W dated 10 August 1901 with
reference to the following remarks.

The G.O. requires that I should obtain
the previous sanction or at least prompt
sanction after payment to exemption
in the case of unpassed men appointed
to vacancies of peons and Survey lascars
in the Special Party. The application
for exemption should according to
rules state also the pay, the names and
the periods for which exemption is sought
for.

2. I have advertised in the Fort Saint
George Gazette and District Gazette for
procuring the services of passed men and
I do not think it likely that I will be able
to get any passed men. The peons and
lascars in the Special Party are only
temporary and have to work in very
dry parts of Ndayarfoliam Taluk and

to they cannot be expected to stick
to their employments for any
continuous period, and consequently
there will necessarily be many changes
every month. Thus it is almost im-
possible to give the names of the men
for whom exemption will be required
in future during the course of this special
investigation. Out of the 50 men working
now in this party, about 43 are unpassed
men and thus I may say that I have
to apply for exemption for most of the persons.
Port Chief Engineer No 4326 C dated 7
November 1900 states that no general
exemption without particularising
the names can be given. Thus it is
impossible for me to note the names
and the period in the exemption list.

Therefore I request that I may be permitted
to apply retrospectively at the end of
any fixed period, say, 3 months, for
exemption of unpassed men who have
held appointments as persons for varying
periods within those 3 months. This
goes against the G.O. No 2150 W dt 10 August 1901
which should be altered to suit the above
difficulty.

difficulty

3. I would also mention that the orders
above referred to, though not very
difficult to be obeyed in regular divisions
where the appointments are permanent
and few in number and the work also
is more easy, cannot, without considerable
impediment to the special work, be in any
way attended to in this special party.

4. If neither the rule requiring the mention
of the individual names and periods
nor the G.O. requiring the prompt submission
of exemption lists, can be ^{relaxed} ~~realised~~
in the case of the Special Party, I shall
have to submit an exemption list during
every change in favour of the man
newly appointed immediately after his
appointment.

There will be about 5 or 6 cases
of this sort every month and I shall
have to pay in each case without
waiting for sanction to exemption.

on this question are giving great trouble

I submit they should be cancelled.

Office Note.

Your O.N. No. 4252 C. dated 10th. October 1901.

In the circumstances brought to notice, it is for Government to decide whether a sanction, similar to the one accorded to survey lascars in Tank Restoration Scheme parties, in G.O. No. 1580 W. dated 11th. June '97 may not be obtained from the -- Educational Department in the case of peons & lascars employed under the Special Assistant Engineer & Executive Engineer, Tanjore.

2. It would be well, it is thought, to grant a general exemption to the peons and ^{Survey} lascars employed under the Special Assistant Engineer and Executive Engineer, Tanjore, as was done in the case of Survey lascars in Tank Restoration Scheme parties in G.O. No. 306 Educl of 27th May 1897. If this cannot be done G.O. No. 2150 W of 10th August 1901 will have to be modified.

Summary
As Under Secretary to Gov.

C. No. 1569

SUBJECT.

General exemption from the examination rules.

FOR ORDERS.

The P.W.D. suggests that a general exemption from the examination rules may be granted in favour of the peons and survey lascars employed under the special assistant Engineer and Executive Engineer, Dauljore, as was done in 1897 in the case of the survey lascars in the tank restoration scheme parties.

The policy of Govt. of late has, however, been to decline to grant any such general exemption and this policy may perhaps be adhered to in the present instance. There is, however, no objection to the grant of temporary exemptions once every ^{six} ~~three~~ months with retrospective effect. May the P.W.D. be informed accordingly?

I think so. A.P.

Mis.

The Governor in Council is not prepared to grant any general exemption on behalf of the peons and lascars named, but ~~consider~~ ^{will not object permit} that the assistant or ~~the~~ Executive Engineer on special duty ~~may be permitted~~ to apply retrospectively at the end of every six months, for the temporary exemption of un-
passed men employed during that period.
