THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

(Thro' the Accountant-General), Fort St. George.

SIR,

I have the honour to request that you will be so good as to obtain the sanction of Government for increasing the rent allowance of Rs.10 for the Government girls' school, Tiruvengad, Malabar District, sanctioned in G.O.No 164, Edul., dated 26th February 1895, to Rs.15 per mensem with effect from the 1st July 1899. The building was thoroughly repaired last year, certain portions having been reconstructed and a compound wall and a gate have been provided. The Inspectress recommends the higher rent in view of the expenditure incurred by the landlord in repairing and improving the building and of the fact that no other suitable building is to be had for the school, which is a first grade lower secondary school. The increased charge, amounting to Rs.105 (Rs.45 for 1899-1900 & Rs.60 for the current year), can be met from the savings under contingencies shewn in the accompanying Reappropriation Statement.

I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

Director of Public Instruction.

2. The proposed increase is within the sanctioning powers of the Local Government.

The Director of Public Instruction should be asked to specify the particular item of contingent allotment of the school which he now proposes to reduce.

Resubmitted to Government with the report that the sum of Rs.178 shewn in the Reappropriation Statement is the total amount of savings in the allotment for "Contingencies" anticipated by the Sub-Assistant Inspector of schools, Coimbatore Girls' Range. The bills for Contingencies are invariably prepared in the Sub-Assistant Inspector's office, and he reports that he will see that the above savings actually accrue out of the amounts sanctioned for the schools concerned.

C. No. 1443 & 1577 of 1900

SUBJECT.

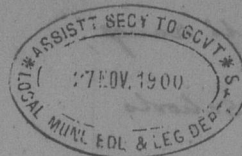

Rent allowance to Govt girls school, Tirunelveli.

FOR ORDERS

In the first of the letters read above the D.P.I. solicited sanction for increasing the rent allowance of the Govt girls' school, Tirunelveli, from Rs 10 to Rs 15 per annum with effect from the 1st July 1899 and stated that the increased cost could be met from savings under contingencies for ~~the~~ secondary schools for girls. But the A.G. tho' whom the letter was forwarded ^{desired} ~~stated~~ that the D.P.I. should be asked to specify the particular item of the contingent allotment which he proposed to reduce and the letter was accordingly returned to the Director for furnishing the necessary information.

2. The D.P.I. now resubmits his letter and states that a sum of Rs 178 can be spared from the current year's provision for contingencies under ~~the~~ secondary schools for girls and that the

Sub-

Without specific re-appropriation this office will not be in a position to conduct an effective audit against the reduced grant as required by Article 158 of the Civil Account Code, as the audit is conducted against the different grants allotted for each school separately. The Director of Public Instruction may therefore be asked to forward a re-appropriation statement specifying the particular items of contingencies and the amount of savings he would propose to transfer from each school to meet the extra outlay now under consideration.

Sub. assistant inspector of schools, Coimbatore girls range, who prepares the contingent bills for the schools in his range, will see that the above savings actually accrue.

3. This does not appear to be a satisfactory reply. ~~the A.G. may perhaps be asked whether it is still~~ considered that the particular items of 'contingencies' and ~~that~~ the amount of savings anticipated in each ^{and if his reply is in the affirmative} should be specified, the Director may, ^{if submitted, be} asked to do what he requires.
