FURTHER PAPERS.

The Godavari District Teachers' Association
to the Hon. Mr. Arthur Oliver Villiers, Barrister
at Law, 10, Nov 1901.

His Excellency the Right Honourable
Arthur Oliver Villiers, Barrister
at Law, C. C. J. & The Governor
of the Madras Presidency.
May it please Your Excellency,

We, the Working
Committee of the Godavari District
Teachers' Association most loyally
beg to submit Resolution No 15
passed at the fourth Godavari District
Teachers' Conference held at
Annapur on the 29 May 1901 for your
Excellency's favourable consideration.

It is laid down in the
Madras Educational Rules (Page 13
Article 25) that when a pupil applies
for a leaving certificate during the
term, he shall have to pay the fees
due for the whole term. This rule
has been put into force in the Secondary
Schools ^{among others} and it is hard with the
pupils. For example the son of a
public servant as a place cup
is reading in the school there.

His father is transferred to another place B say on the 25th January. The pupil who has to go to B along with his father gets the Leaving Certificate from the School at A on payment of fees for the whole term (to the end of June). The pupil has to join the School at B and though it is left to the discretion of the authorities there to remit the fees for such a boy, yet it cannot be expected they would use their discretion in favour of the boy as he has to read in their School for the whole of the term. Even he is admitted in the School at B, it happens that he pays fees to the School where he does not read and pays nothing to the School where practically he reads for the whole term. Thus the boy may be obliged to pay fees again in the School at B for the same term.

The pupils have been groaning under this hard rule and so it needs speedy amendment. If the rule is made to

to pay as much amount as he has to pay when he applies for a leaving certificate, it is easy for him to do so and the manager of the School into which he seeks admission will get fees from the pupil for the remaining portion of the term.

So we most earnestly pray that the existing rule may be changed accordingly.

Resolution No 15.
That this Conference requests the Government to so amend the Madras Educational Rules as to enable a student to procure a leaving certificate after the expiry of the 5th working day of the School term by the payment of instalment or instalments due up to the date of application for it instead of paying for the whole term and to provide for his paying in the School into which he seeks admission not more than what he will have to pay if he continues in the School to which he

NOTE FOR THE A.S.

It does not appear that there is any thing worthy of consideration in this representation of the Jotavari Teachers' assn. The Educational rules were framed in the interests alike of schools & pupils. It is more useless ruinous to a boy if he leaves school in the middle of a term and joins another and it is therefore absolutely necessary to do all that is possible to prevent such a practice. The rule as it now stands acts as a powerful deterrent & it is thought that it should not be altered. It does not appear that there is any necessity to trouble the Director by a reference to him on this point. The sufferers by the rule cannot be so numerous as the Assn thinks.

Chief Secy.

The rule is a salutary one; as stated above, the sufferers by it (in such cases as those to which the association refers) cannot be very numerous, & the modification suggested in the petition wouldn't do at all.

2. It is desirable just now to spare Mr Stuart as much as possible, & in this case one knows pretty well what he
