EDUCATIONAL DEPARTMENT.

NOTE FOR THE ASSISTANT SECRETARY.

It has already been decided that in order to cope with the increase of work in the office an additional clerk on Rs 25 per mensem should be entertained and provision for this has been made in the budget estimates for 1902-03. There are at present three Legislative publications in the press and their completion is being delayed for want of a clerk to assist in the reading of the proof sheets: and owing to the frequent select committee meetings during the current Legislative session the Legislative clerk will not be able to devote his whole time to the printing of these works. The A.S. has also ^{notes on} some bills to draft and will require a clerk to write from dictation. It is therefore submitted that the additional clerk may be entertained as soon as possible. The charge during the current year will come to about Rs. 60 and may be met from savings under 18-G. General Administration - Legislative Council.

2. It is submitted ~~therefore~~ that the

As far as I
can see the ~~services~~
of the one clerk
will be taken away
entirely from me!
I mean can you
now.

This will continue as
long as Select Committee

the proposition statement placed below

from, say, the 15th instant. The remarks
that defects on the proposal may perhaps be obtained
in the first instance.

Will Fin. Dept. agree?
The present proposal will not
I hope prejudice applications
which may have to be made
in the future for strengthening
the staff by staff altogether.
There is much useful work to be
done but it is sheerly impossible
for me to do it if I have
no clerks to give instructions to.

2. The additional cost on
account of the clerk is Rs 25 per mensem
or Rs 300 per annum. The additional
cost during the current year is put
down at Rs 60 and the Educational
and Legislative Dept. proposes to
meet it from Savings under 18. G.
General Administration - Legislative
Council. In the budget estimates
for 1902-3 of the Legislative Council
accepted in G.O. no 923. Financial, dated
the 29th October 1901, the grants for
the current year have been merely
repeated, but it is ^{almost} certain that there
will be ~~some~~ savings ~~from~~
from the provision of Rs 5,000 for
"Allowance of member of the Legisla-
tive Council of India". The proposal
to entertain the clerk on Rs 25 per mensem,
it is submitted, be ~~accepted~~ accepted.

3. The additional cost of alterations in permanent Provincial establishments sanctioned with effect from the 1st April 1901 comes to Rs 39,391 per annum.

4. As Legislative seems to be in not urgent need of the clerk, it is suggested that he might be

detained at once, the formalities of submitting propos. statement to be complied with in due course.

5. ~~It~~ may also be suggested to Legislative with reference that it wd. be as well to include in the B.A. for next year a lump sum for the reorganization of the establishment of that dept.?
