SUBJECT.

Requesting general sanction of Government with retrospective effect from January 1900 for the Sub-Assistant Inspector of Schools, Penukonda Range in the Anantapur District drawing travelling allowances under Article 1147 of the Civil Service Regulations for his journeys to the Royadrug Taluk of the Bellary District which is included in the Penukonda Range.

To

The Secretary to Government,

Educational Department.

(through the Accountant General)

Sir,

I have the honour to request the general sanction of Government with retrospective effect from January 1900 for the Sub-Assistant Inspector of Schools, Penukonda Range in the Anantapur District drawing travelling allowances under Article 1147 of the Civil Service Regulations for his journeys to the Rayadrug taluk of the Bellary district which is included in the Penukonda Range.

2. The sanction accorded in G. O. No. 297, Educational, dated 20th July 1900 applied to a particular bill, and for want of general sanction the Accountant-General holds under objection the Sub-Assistant's bills for similar journeys performed by him since January 1900. From the subjoined extracts from the Sub-Assistant's letter No. 682, dated 7th April 1901, it will be seen that he has to take the shortest route to save time so that he may be able to complete the grant examination of schools by the 31st December. The general sanction, if accorded, will avoid the necessity for making frequent applications to Government in the matter.

"As it has become obligatory to complete the grant examination by the end of December every year, it is necessary to adopt all safe guards to save time in travelling as much as practicable, the Range being extensive and composed of six Revenue Taluks with an area of about 4000 square miles and with schools scattered at long distances. Article 1088 of the Civil Service Regulations supports this view.

2.

I humbly beg permission again to state that the Penukonda Range comprises the Revenue Taluks of Madakasira, Hindupur, Penukonda, Dharnavaram and Kalyandrug of the Anantapur District and the Rayadrug Taluk of the Bellary District spread over an area of about 4000 square miles. It generally takes four days to reach Rayadrug via Pavagada (Mysore territory) Kambadoor, Kalyandrug, the distance being over 80 miles. The return journey occupies the same period. To spend 8 days in travelling alone to and from Penukonda at a time when the grant examination is pressing appears to be injudicious, when there is a much easier route to reach Rayadrug Via Bellary by rail &c in a day, if due care be exercised.

"Article 1147 of the Civil Service Regulations provides that the Local Government may, either by a general order applying to a class of officers or by special order, permit an officer, whose circle of duty extends beyond the limits of a single district; to draw, whenever his actual travelling expenses for a duly authorised journey on public duty by public conveyance exceed double the amount of his permanent allowance for the period occupied in such journey the difference between such double permanent allowance and the allowances admissible under Chapter XLVIII, in addition to his ordinary permanent allowance for such period.

"I further beg to submit that I travelled to Rayadrug Via Bellary on occasions which were absolutely necessary for the conduct of grant examination with a view to complete it within the prescribed period (ie) 31st December!"

I have the honour to be,

Sir,

Your most obedient servant,

T. H. S. Thakur

Director of Public Instruction.

The sanction applied for for the exchange of the permanent monthly allowance for mileage allowances may be granted subject to the condition that the Inspector certifies on each bill in which mileage allowance is claimed by the Sub-Assistant Inspector that his actual travelling expenses by a public conveyance exceeded double the amount of his permanent allowance for the period occupied by such journey.
