G.O., Mis. Nos. 525, 526, Educational, dated 24th October 1900.

Read—the following paper :—

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-Law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 24th September 1900, No. 9500.

With reference to rule 1, General, in the appendix to G.O., No. 606, Educational, dated 29th September 1898, I have the honour to request that the sanction of the Secretary of State be obtained for the inclusion of the post of headmaster, Central school, Mercara, in the Madras Provincial Educational Service. Mr. Moss, the present headmaster, has applied for a transfer on promotion to the Madras Educational Service, but the request cannot be considered until the post has been formally included in that service. The Accountant-General, whom I addressed on the matter, states that there is no account objection to transfers being made under the rule quoted above provided the interchange does not cause any excess over the sanctioned scale in either of the provinces, and the Chief Commissioner of Coorg has written to say that he will not insist on the Headmaster of the Mercara High School being a European—a concession that will make it easier in practice to carry out the arrangement contemplated in the rule.

Order—Mis. No. 525, Educational, dated 24th October 1900.

The following letter will be addressed to the Chief Commissioner, Coorg.

(True Extract.)

(Signed) M. HAMMICK,
Ag. Secretary to Government.

Letter—Mis. No. 526, Educational, dated 24th October 1900, to the Chief Commissioner, Coorg.

I am directed to forward for the favour of your remarks, copy of letter No. 9500 dated 24th September 1900, from the Director of Public Instruction in this presidency, suggesting the inclusion of the headmastership of the Central school, Mercara, in the Madras Provincial Educational Service. If the Director's proposal should be approved by the Secretary of State, the administration of Coorg would, under the proposed arrangement, contribute monthly Rs. 300, the amount of the salary now drawn by the headmaster.

(Signed) M. HAMMICK,
Ag. Secretary to Government.

READ—also the following paper :—

From H. R. C. DOBBS, Esq., Secretary to the Chief Commissioner of Coorg, to the Secretary to the Government of Madras, Educational Department, dated Bangalore, 26th January 1901, No. 187.

I am directed to acknowledge the receipt of your letter No. 526, dated the 24th October 1900, regarding the proposed inclusion of the headmastership of the Central school, Mercara, in the Madras Provincial Educational Service.

2. The proposal meets with the approval of the Chief Commissioner; and there is no objection to the Coorg revenues contributing Rs. 300 *per mensem*, the salary now drawn by the headmaster.

3. The Chief Commissioner regrets that owing to a mistake of this office a reply was not sent to your letter at an earlier date.

ORDER—No. 74, Educational, dated 13th February 1901.

The Government of India will be addressed.

LETTER—from

M. HAMMICK, Esq., I.C.S.,

Acting Secretary to the Government of Madras,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

In the scheme for placing the schools in the civil and military station of Bangalore and in Coorg under the Director of Public Instruction of this presidency sanctioned in the Secretary of State's despatch communicated with Mr. Nathan's letter No. 80, dated 15th February 1899, it was provided that the Government appointments in Bangalore and Coorg carrying a pay of Rs. 50 and upwards should be treated as if they were posts included in the Madras Provincial or Subordinate Educational Service, with corresponding emoluments, and that the incumbents in the one service should be eligible for promotion in the other. The headmaster of the Central school, Mercara, who is in receipt of a salary of Rs. 300 per mensem, is thus eligible for promotion in the Madras Provincial Service, but as the appointment is not included in that service, the Governor in Council is unable to replace him by a Madras Provincial officer without depriving the latter of his present prospects.

2. In these circumstances, I am directed to request that the Government of India will be pleased to obtain the sanction of the Secretary of State to the inclusion of the post above named in the list of educational appointments in the Madras presidency, an additional appointment being added on this account to the eighth class of the local Provincial Service. The additional cost involved will be recovered by a contribution of Rs. 300 per mensem from the Coorg administration. The Chief Commissioner of Coorg has assented to these proposals. The usual proposition statement accompanies.

I have the honour to be,

Sir,

Your most obedient servant,

FORT ST. GEORGE,

From the Secretary to the Chief Commissioner of Coorg, dated 26th January 1901, No. 187.

May the memorandum below which was passed by the Assistant Secretary on the 9th October 1900, calling for a proposition statement, now issue?

* Yes. But if the Secretary will now pass my draft letter to India of October last, circulation may proceed while the proposition statement is being prepared.

* Despatched 31st January 1901. As the Secretary then remarked, there is not of course any real "urgency," but Mr. Moss's promotion is prevented until orders are passed by the Secretary of State and four months have elapsed since Mr. Stuart sent in his proposals; this may be a little hard on him.
