Having been informed that our
petitions (generally sent) to his Excellency the
Chancellor of the University of Madras,
were transferred for disposal to your office,
we most humbly and respectfully beg to
represent certain facts more explicitly which
were only briefly pointed out in them.
The Syndicate last week laid on the
entry in the admission register of the District
High School with regard to age. These
were made in most cases when we were very
young. Further, when the entries were made the
exact figures were not required of us.
It was not known either to the teacher
who made them or to us that there had any
value and therefore it was that in most cases

when the figures could not be given by the boys,
the teachers had to fill up the column with
CUR the Secretary to the Government,
Educational Department
Madras.

Admitted into the High School
humbly having been informed that our
