Sir,

* (to be kindly returned) From the enclosed travelling allowance bill of Mr. A. Chatterton for his Journeys to Simla and back Government will observe that though the usual route lies through Dhond he travelled to Calcutta by the East Coast Railway and thence to Kalka en route to Simla. As he says that he took the opportunity of going to Calcutta in the interests of the aluminium industry, I have the honour to request that the sanction required under article 1090 of the Civil Service Regulations may be granted for the longer route taken by him.

2. The bill further calls for a few corrections which I shall carry out before countersigning it.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. S. Thakur

Director of Public Instruction.

Forwarded. If Government declares that it was necessary for special reasons for Mr. Chatterton to travel Via Calcutta on his way to Simla he may under article 1090, Civil Service Regulations be permitted to draw travelling allowance by that route.
