To

The Secretary to Government,

Educational Department.

Sir,

With reference to G.O., No. 602, Educational, d/ 25th October 1901, forwarding for the remarks of the Hon'ble the Judges the suggestion of the Commissioner for Government Examinations that the Matriculation Examination with the Hand-writing Test may be accepted as equivalent to the Upper Secondary Examination for admission to the Second -- Grade Pleadship Examination, I am directed to say that, when the Pleadship Examination was instituted, candidates appearing for the 2nd Grade were required to have passed the Matriculation Examination. In 1890, the High Court, -- accepting the suggestion of Government contained in paragraph 8 of G.O., No. 351, Educational, dated 20th June 1899, -- declared the Upper Secondary Examination to be an alternative to the Matriculation Examination as a qualifying test for admission to the 2nd Grade Pleadship Examination and further notified that after the Examination of 1894 the -- First in Arts Examination would be substituted for the -- Matriculation. At present, therefore, the alternative ---- qualifying tests for admission to the 2nd Grade Examination are the F.A. and the Upper Secondary.

2. The following statement shows the number of -- candidates who have appeared for the 2nd Grade Pleadship

Examination

Examination since 1895 upto date, and dividing them into two classes according to their preliminary qualifications for admission to the Examination:-

Year.	No. of Candidates for the Second Grade.		
	B.A.-F.A.	Upper Secondary.	
1895	Nil	70	Nil.
1896	2	51	1
1897	7	56	Nil.
1898	4	51	Nil.
1899	9	66	2
1900	15	72	3
1901	8	84	3

3. I am to say that these figures, in the opinion of the High Court, show that the change suggested by the ---- Commissioner is uncalled for and, moreover, the change -- would, in principle, be a step in the wrong direction, since its effects would seem to be to lower the standard of the qualifying test for the 2nd Grade Pleadship Examination. If any change is to be made, the Honourable the Judges would be more inclined to abolish the Upper Secondary as a test than to accept another inferior test as equivalent to the First in Arts Examination.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.

A.S.

Dec 11. 01.

First in Arts Examination.
