G.H. Stuart
Director of Public Instruction

To
The Secretary to Government,
Educational Department.
thru' the Accountant-General.

Sir,
I have the honour to apply for an additional allotment of Rs.960 under "rations" for the Reformatory School, Chingleput, for the current year. The Superintendent reports that, since April last, owing to the high price of ragi and other articles of diet, the average monthly expenditure on rations has been as high as Rs.480. The budget allotment being only Rs.4800, he requests that the additional allotment of Rs.960 may be provided from some other source, as no savings are available in the provision for the school. The demand may be met from the surplus available under 'Exchange Compensation allowance' under "Inspection" and "Government Colleges Professional-College of Engineering" and I ~~beg~~ beg to request that the necessary amount may be transferred from those heads. A re-appropriation statement in the prescribed form is also submitted.

I have the honour to be,

Sir,

Your most obedient servant,

G.H. Stuart
Director of Public Instruction.

NOTE FOR THE ASSISTANT SECRETARY.

In the circumstances stated by the Accountant General, the reappropriation proposed by the Director cannot be sanctioned. The Financial Department may therefore be asked to consider whether an additional allotment can be sanctioned from any other source.

Remit to the D.P.I. (Officials) in connection of the papers now with him about the excesses in the School of Arts.

18.2.11, M.P.

A draft is placed below as ordered - but no reference has been made in it to the paper about the excesses in the School of Arts. In that paper the Director was asked to explain the cause of the increase under the school of arts. Here the excess under the Reformatory school is clearly explained. The reappropriation in the former case was proposed chiefly from savings under the Law College which the Govt. are ^{now} thinking of recommending. Here the reappropriation is from

1912/11
 I don't suppose the excess
 will be met as a matter of
 fact as there are not many
 books more of the year to
 run. But if the D.P.I. applied
 for an increased grant under
 the Edin. he might get it.

They are merely
connected by order
of reference. The
draft will do very
well.
