The humble Memorial of C. M. Anantan Head
Clerk Calicut Dn. Dy. Collector's office.

MOST RESPECTFULLY SHOWETH

That memorialist most respectfully begs to submit his hard case for kind consideration fully trusting that favorable orders will be passed enabling him to obtain promotions that he has fully earned by meritorious and approved good conduct and by the examination qualifications in force until recently. He has passed the Matriculation and also Precis Higher, Translation Lower, Criminal Lower and Revenue Lower. These were sufficient qualifications for the posts of Deputy Tahsildar and Tahsildar when he passed them in 1890 & 1893. It was only lately that Matriculates were debarred from appearing for the Higher Grades of the above examinations which (the Higher grades) were at the same time declared compulsory for promotion to the post of Dy Tahsildar or Tahsildar. Memorialist is only 40 years of age. He entered the public service in 1881 and spared no pains in giving complete satisfaction to his superiors in the full hope he would be able to obtain the reward of industry and honest hard work. To be told after nearly 13 years of hard work that further promotion cannot be obtained unless the same examinations are passed in a higher grade and that the door to appearing for the examinations is closed against him is indeed most painful.

That he did his work most satisfactorily is evident from the enclosed copies of testimonials of the various Collectors and Divisional officers under whom he had the good fortune to serve. They testify not only to his diligence and industry but also to his pluck and trustworthiness. He leaves the copies to speak for themselves, as it may not be proper for him to sing his own praise. He begs that the Collector will be pleased to endorse his favorable opinion upon this memorial. Memorialist begs also to submit that it was he that gave the first information to the authorities about the Moplah outbreak of 1884 when he was a clerk in the Special Assistant Collector's office.

Memorialist does not pray for any special indulgence to be shown to him by way of exemption from passing the needful examinations; what he begs for is only for permission to appear for the Higher grades of the examinations that he has already passed in the Lower grades. If he does not pass the examinations, he expects no mercy, but he respectfully begs he may be given a chance to go up for the examinations and thus remove the obstacle in the way of his promotion in the line of work in which he has cast his lot. This is an act of mercy as well as of justice for which act of kindness the memorialist shall as in duty bound.

EVER PRAY.

The memorialist has now served
me eighteen months; and all the
time he has been energetic,
useful and painstaking. Judged
by his service & work, he deserves
in my opinion the slight concession
he prays for.
