The Budget Estimate was submitted on the 19th October, the name of Project was merely entered as it was not known for what amount the building was to be purchased. G. O. Provision should however be made for adapting the buildings, tiffin rooms, latrine and general repairs which will amount to about Rs 25,000 approximately.

For the A.S.

This paper was kept over pending the issue of orders on the file about the Lawrence Asylum Press, but the latter is still in circulation and there seems to be no necessity to wait longer.

The draft may be accepted but only Rs. 18,000 was allotted for the work from the Special grant. The P.W.D. will no doubt be able to provide the balance required from their ordinary grant.

I think that with reference to what Mr. Stokes more than once said on the subject, the Public Deptt. should be asked to concur. If there is any idea of using the site for other than Educal. purposes, it will not be wise to sanction expenditure which may commit govt. to use it for Educal. purposes.

(Initd) A.T.P.

5-12-11.

We may accept the draft it being remembered that Rs 18,000 of the amount is contributed out of the Special grant. (Initd) C.J.W.
