GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following papers:—

Official Memorandum No. 226.

As the inclusion of the headmastership of Mercara high school in the Provincial educational service has been sanctioned (G.O., No. 628, dated 1st November 1901), the Director is requested to report whether he is now in a position to make proposals for the appointment of Mr. Moss to act at Mangalore in accordance with the last paragraph of the letter marginally noted.

A. T. PRINGLE,
Assistant Secretary to Government.

8th November 1901.

To the Director of Public Instruction.

From the Hon'ble Mr. G. H. STUART, M.A., Barrister-at-law, Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 29th November 1901, Ref. on C. No. 8434.

With reference to memorandum No. 226, Educational, dated 8th November 1901, I have the honour to say that Mr. Moss does not wish to leave the Central high school, Mercara, in order to be appointed acting principal, Mangalore college. His present post carries with it a rent-free house, so that he would lose by the change, and he is moreover desirous of avoiding the damp climate of the West Coast as it is injurious to his health.

2. I propose, as soon as I can, to give him inspecting work in some other part of the presidency.

3. In consideration of the fact that Mr. Moss is now paid Rs. 300 a month *plus* house-rent and has twelve years' service under Government, I propose that he shall be placed at the top of the eighth class (pay Rs. 300 per mensem) in the Provincial educational service so as to improve his chances of promotion, and request the sanction of Government to this arrangement.

ORDER—No. 8, Educational, dated 6th January 1902.

The recommendation in the third paragraph of the Director's letter will be accepted, and the following notification published in the *Fort St. George Gazette*:—

NOTIFICATION.

NOTES CONNECTED WITH G.O., No. 8, EDUCATIONAL, DATED
6TH JANUARY 1902.

[SUBJECT.—*Mr. Moss's place in the Provincial educational service.*]

For Private Secretary—

You will remember Mr. Shiva Rao's representation about the Government College at Mangalore and his request that the post of principal might be transferred from the Provincial to the Imperial service, so that the services of an English B.A. may be permanently secured. Please call for the papers in order that I may note upon them.

A[MPHILL.]
2-11-01.

Demi-official from R. H. CAMPBELL, Esq., to C. J. WEIR, Esq., dated Guindy, 2nd November 1901.

Will you kindly send His Excellency a note with the connected papers with reference to the above note, which refers to a request made by an influential resident of Mangalore?

In G.O., No. 120, Educational, dated 24th February 1899, it has been decided that an English graduate should be appointed to the headmastership of the Mangalore College, and that this arrangement should be followed when it is reasonably within the power of Government to effect it. On the occurrence of the last vacancy, therefore, Mr. Mark Hunter has, with the special sanction of the Government of India, been appointed headmaster (*vide* G.O., No. 334, Educational, dated 10th June 1899). When, however, Mr. Bilderbeck went on furlough this year, Mr. Mark Hunter was put in to act for him in the Presidency College, and Mr. P. P. Rozario, a Eurasian graduate, was appointed as acting headmaster of the Mangalore College.

2. The post is included in the Provincial educational service. M.R.Ry. Shiva Rao's suggestion is to transfer it to the Indian service. If however this is done, the pay of the appointment must be special, say, Rs. 400—20—500, as in the case of the vice-principals of the Agricultural and Teachers' colleges. An officer of the Indian service ordinarily gets Rs. 500—50—1,000, but this will be too high for the head of a second-grade college.

3. It is, however, submitted that, even if the appointment is transferred to the Indian service, it will not be possible to keep an English graduate always at Mangalore. The exigencies of the service will require acting arrangements to be made very often, and the English graduate at Mangalore, to whatever service he may belong, is sure to be moved up as on the present occasion. For instance, although the vice-principals of the Saidapet Teachers' college is included in the Indian service, and Mr. H. S. Duncan has been specially brought out for holding the appointment, it is now over two years or so since he has been away from the place. A provincial officer and a native of India has been, and is, acting for him all this while.

4. It is therefore submitted that what M.R.Ry. Shiva Rao really wants has already been conceded, but that it is immaterial whether the officer is in the Provincial or Indian service. This will not make any difference as it will be necessary to make acting arrangements in the service as a whole, and it will at times be necessary to put in a Eurasian or pure Asiatic at Mangalore to act temporarily.

The draft below, which follows His Excellency's personal instructions, may issue.

A. T. PRINGLE.
8-11-01.

From the Director of Public Instruction, No. 8434, dated 29th November 1901.

The Director reports that Mr. Moss is not willing to go to Mangalore; he therefore means apparently that Mr. Rozario should continue at the latter place till Mr. Bilderbeck returns in July 1902 and relieves Mr. Mark Hunter. It is, however, likely that Mr. Hunter may be again called away now and then, and if it is the intention that the Mangalore college should always be in charge of a European headmaster one or two more English graduates should be brought into the Provincial service. There are now several special appointments, such as the vice-principals of the Teachers' and Agricultural colleges, in the Indian service and it seems undesirable to increase their number. When vacancies occur in the appointments on Rs. 500—1,000, the officers holding the special appointments will naturally aspire to them, and in the ordinary course these officers must be somewhat inferior to those who are procurable at Rs. 500—1,000.

2. The Director also proposes that Mr. Moss may be placed at the top of the eighth class in the Provincial service. The usual practice is, however, to appoint an officer to the last place in a class, so that the promotion of those already in that class may not be affected. Mr. Moss can have no ground for complaint if this course is adopted in his case also, as it is to his advantage that he is drafted into the Provincial service.

P. T. THARYAN.

For orders.

A. T. PRINGLE.
5-12-01.

Let Director of Public Instruction see this file u.o. If possible his promise to send an English graduate to Mangalore should be redeemed.

C. J. WEIR.
5-12-01.

Director of Public Instruction u.o.

It is not possible always to fill an acting appointment at the Mangalore college by appointing an English graduate. Even at Kumbakonam, which is a first-grade college, a native has frequently been appointed to *act*, and the same thing has been done with respect to the professorships at the Presidency college.

2. I have given special reasons for wishing to place Mr. Moss at the head of the eighth class, and have nothing to add.

G. H. STUART.
7-12-01.

His Excellency the Governor—

Submitted to His Excellency with reference to Private Secretary's letter of 2nd November 1901. Attention is invited to the notes in G.O., No. 120 of 24th February 1899.

A. 2. The question of Mr. Moss's place in class 8 may be dealt with separately after the file is returned.

C. J. WEIR.
10-12-01.

Shall I be making the right answer if I tell Mr. Shiva Rao that it would not ensure the constant appointment of an English graduate to the headmastership of the Mangalore college if the post were to be transferred from the Provincial to the Indian

service, as the exigencies of the service require acting arrangements to be made from time to time? That for other reasons it is undesirable to transfer the Mangalore college to the Indian service, but that an English graduate will be appointed unless it is absolutely impossible to do so?

A[MPHILL].
13-12-01.

His Excellency the Governor—

I venture to suggest that the last five words of His Excellency's proposed reply might be slightly more qualified. It might happen that it would be exceedingly inconvenient to send an English graduate to Mangalore, though not absolutely impossible to do so. Perhaps for the words "absolutely impossible" either "impracticable" or "impossible with due consideration for the claims of other educational institutions" might be substituted.

2. In all other respects the proposed reply seems quite right.

C. J. WEIR.
16-12-01.

I agree that it would be better to use the words "impossible with due consideration of the claims of other educational institutions." The Private Secretary has written accordingly to Mr. Shiva Rao.

A[MPHILL].
21-12-01.

The question of Mr. Moss's place in class 8 of the Provincial service has now to be settled—*vide* Secretary's note at A on page 2 *supra*.

P. T. THARYAN.
24-12-01.

In regard to this matter, Mr. Stuart has given, as he says,* "special reasons" for what he proposes to do, and there seems to be no necessity for Government to interfere.

* On page 2 of the notes.

A. T. PRINGLE.
24-12-01.

I think so.

C. J. WEIR.
26-12-01.

I agree.
