Mrs. Brander.

Communicating to the Director of Public Instruction sanction of the Secretary of State to the addition of three years to the qualifying service of — under article 441-A of the Civil Service Regulations.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From A. WILLIAMS, Esq., Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Calcutta, 21st December 1901, No. 644.

In continuation of Home department letter No. 389, dated 14th September 1901, I am directed to forward, for the information of the Governor in Council, a copy of the despatches noted in the margin relating to the application of article 441-A of the Civil Service Regulations to the case of Mrs. Brander, Inspectress of Girls' Schools, Madras presidency.

ENCLOSURE.

Despatch from the Government of India, Finance and Commerce Department (Pensions and Gratuities), to His Majesty's Secretary of State for India, dated Simla, 3rd October 1901, No. 309.

We have the honour to forward a copy of the correspondence, noted in the attached schedule, relating to the application of certain articles of the Civil Service Regulations to the case of Mrs. Brander, Inspectress of Girls' Schools in the Madras presidency.

2. The letter from the Government of Madras contains two proposals, viz. :—

(1) that under article 465-A of the Civil Service Regulations a deficiency of one year in Mrs. Brander's qualifying service may be condoned, she being permitted to count for pension one year out of the period of non-qualifying service rendered by her as Superintendent of the Female Normal School from the 8th November 1870 to the 31st March 1876;

(2) to allow Mrs. Brander, on retirement, the benefit of the provisions of article 441-A of the Civil Service Regulations which permits of an addition of three years to the qualifying service in the case of those officers who were in the Education department on the 22nd July 1896.

3. The object of the first proposal is to enable Mrs. Brander, with the addition of the three years which would be added to her service under the second proposal, to retire immediately on medical certificate, or to take furlough preparatory to retirement under the 55 years' rule. We do not think that article 465-A of the Civil Service Regulations was intended to be used merely to allow Government servants to retire on full pension voluntarily a little sooner than they otherwise could. We have therefore informed the Government of Madras that this proposal cannot be considered unless and until Mrs. Brander actually retires.

4. With regard to the second proposal, the possible objections to it are stated in paragraph 6 of the letter from the Government of Madras, but we do not think that they are of such a nature as to preclude the grant of the concession asked for. The fact that Mrs. Brander was not a member of the Superior Education service on the 23rd July 1896 should not, in our opinion, prevent the application to her case of article 441-A of the Civil Service Regulations. Mrs. Brander, who was then Miss Bain, was appointed Inspectress of Girls' Schools by the Secretary of State in 1880, and, although her appointment was a special one, and not at the time included in the old graded service, it was always, in view of its position and duties, considered a superior one, and it was subsequently in the reorganization scheme of 1896 included in the Indian Educational service.

In the circumstances represented by the Government of Madras we recommend, for your Lordship's sanction, that article 441-A of the Civil Service Regulations should be held applicable to Mrs. Brander's case.

Schedule of Papers.
