To

The Chief Secretary to Government,
Revenue ~~Public~~ Department.

Sir,

I have the honour to forward herewith copies of an application dated 6th December 1901 from T. Sadanandam Modali, 6th Vernacular accountant of my office and of my Treasury Deputy's endorsement thereon of the 8th idem and to request that Government will be pleased to consider the propriety of a relaxation of the examination rules being made in favour of the applicant so as to enable him to be promoted to the post of an accountant on Rs 25 when a --- suitable opportunity occurs.

2. The applicant was first entertained in public service in April 1887 as the permanent 3rd gumasta of Udayagiri Taluk office on Rs 15 at a time when unpassed men could be appointed to posts carrying -- salaries up to Rs 20. He has put in a service of nearly 15 years. He is so well spoken of by the Treasury Deputy Collector as to deserve, in my opinion, special consideration and encouragement.

I therefore request that Government will exempt the man from the operation of the rule laid down in G.O. dated 28th July 1886,

No: 482, Educational, so as to enable him to be promoted.

I have the honour to be,

Sir,

Your most obedient servant,

Rafinulla
Collector

Nellore Collector's office,

Dated 6th December 1901.

To

A. Butterworth Esquire,

Collector of Nellore.

(Through the Treasury Deputy Collector, Nellore).

Honoured Sir,

With reference to your honour's endorsement on my -- application for promotion which I enclose herewith I humbly beg to state that your honour will kindly consider my claims for -- promotion taking the work I am entrusted with into consideration and the remuneration that I get for it. My pay is Rs 15/- for the last 15 years and I am now doing the work which was being ^{done} by an accountant drawing Rs 25/. My superiors every now and then order me to look after the work of accountants drawing higher pay whenever they are absent from duty and I am allowed nothing more than my permanent pay. I have given satisfaction to all my 14 officers (European and native) both in the Taluk and ---- Huzur offices whom I had the fortune of serving and I beg to -- state that not a single objection from the Accountant-General -- was counted against me.

I take this opportunity of bringing to your honour's kind notice that unpassed candidates also were given promotion in --

past years after obtaining exemption from Government. Now that this is a season of scarcity and dearth what I most humbly request your honour is either to get me promotion as your honour may deem proper or to get me permission to appear for the special test examinations.

For which act of benign kindness I shall ever feel highly obliged.

I beg to remain &c.,

(Signed) T. Sadanandam

6th Vernacular Accountant.

Submitted.

2. The applicant is the permanent 6th Vernacular accountant on Rs 15. As he is not qualified under the Examination Rules for any promotion being only a 2nd class Middle School candidate, he is -- still in the Rs 15 grade, though he has put in nearly 15 years' service having been appointed as permanent 3rd gumasta of Udayagiri Taluk in April 1887. In 1899 permission was accorded to him to seek employment in the P.W.D where he worked temporarily for nearly 4 years (October 1895 to July 1899) drawing salaries ranging from 30 to 75. All the officers under whom he has served speak very well of his industry, diligence and capability.

3. The applicant belongs to respectable family being the nephew of the Hon' P. Rajaratnam Mudaliar, Inspector-General of Registration. Mr. P. Rajaratnam Mudaliar, Presidency Magistrate, is his

4. During the short period I have been here, I have found him very industrious and intelligent. He is one of the few clerks in whom I have any confidence. He was doing till very recently the Day Book work very creditably and I have now given him ---- stamps work in the Treasury after C. Subbasingh was transferred to Allur, finding none in the Accounts Branch, at present, capable of discharging that work to the satisfaction of the Cash-Keeper. When some of the senior accountants drawing salaries ranging -- from 45 to 20 went on leave, he was deputed to their work without any remuneration. For instance when the 2nd accountant -- Mr Jazaro went on leave he was placed in charge of his work -- which he did very well. As I find him to be a very useful -- hand in the Accounts Branch I strongly recommend that his case -- may be represented to the Government and sanction obtained for promotion at least to Rs 25 in the Accounts Branch.

SUBJECT

Exemption from the examination rules

FOR ORDERS.

As to whether the exemption applied for may be granted. The accountant has a service of nearly 15 years and is well spoken of. The Collector considers that he deserves special consideration and encouragement. He would have risen to Rs. 20 if the examination rules had not come into force. He may perhaps be exempted for holding a post carrying pay not ^{exceeding} ~~more than~~ this amount.

I think
He may be exempted.
10/11/2 I would not limit as proposed:

it only creates further correspondence. Limit for employment as accountant in Collector's office. Please draft.
