To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to forward here-
with an indent in triplicate for glass
mouth piece and two India rubber tubes
for a Spirometer, which are urgently re-
quired, in connection with my anthropo-
logical work, and to request that the
Secretary of State may be asked to have
them supplied as soon as possible. They can
be obtained from the Cambridge Scientific
Instrument Co.

The Cost thereof can be met from the
Museum budget.

They were not included in the forecast
for Stores submitted with my No. 697 dated 22nd
August 1901 as they are required to replace articles,
which have since got broken or require replacing.

I have the honour to be,

Sir
Your most obedient Servant,

Idyca Thurston
Superintendent

the glass mouth pieces and rubber tubes locally

[Telephone from the S.G.M. dt 17-1-02]

The Superintendent says that the mouth piece
and tubes are not locally procurable but it seems
rather ridiculous to send an indent home for articles
worth 7 shillings. The Superintendent may
perhaps be authorized to buy them anywhere.

17/1/2

I agree; but are not
such debatable points - where rules &
common sense conflict - decided in
the final dept?

17/1/2

8.1.2

If the Superintendent is authorized to purchase the articles it amounts to sanctioning local purchase under article 98(k) of the C.A.C. Such sanction is at present given by the Administrative department concerned. The P.W. & the Lt. Gen. depts. very often give such sanction. There is no objection however to Financial being asked.

78/1/2

Will Genl. advise whether under the circumstances we may disregard the general rule & sanction local purchase? It is considered desirable to do so.

M.P.

18.1.3

Genl. depl no.

On referring to 98(k) I see there is nothing to prohibit local purchase. Sanction.
